This SAMPLE plan shows how to complete the program from junior standing to graduation in four semesters. **To complete the above coursework within this time requires having finished Art 100, 120, 220 or 226, 221, and ALL lower division GE/breadth courses prior to junior standing**, and enrolling in about 15 units per semester during junior and senior years. It is a rigorous pace that may not be right for everyone. If you have not completed the coursework as listed above, or if you have heavy commitments outside of school or prefer a slower pace of learning, talk to your advisor about a 6-semester plan instead (12-13 units/semester).

If a course is **unavailable** in the scheduled semester or you have already completed it, please adjust this plan by swapping it with another course. Be mindful of prerequisites.

If you need additional help, make an appointment with an Art & Design major advisor.
