Visa Revocation

I acknowledge that I am aware that law enforcement officials notify the U.S. Department of State in the event that an international student or scholar is arrested for driving under the influence (DUI), driving while intoxicated (DWI), or a criminal charge. The US Department of State will then revoke my J-1 visa and my J-1 visa will no longer be valid for re-entry into the USA. Please inform an international student advisor if you have any questions related to this matter.
