This SAMPLE plan shows how to complete the program from junior standing to graduation in 2 years, **To complete the above coursework in 2 years requires: presumes having finished Art 100, 101, 102, 103, and ALL lower division GE/breadth courses prior to junior standing**; and enrolling in about 16 units per semester during junior and senior years. This is a rigorous pace that may not be right for everyone.

If a course is **unavailable** in the scheduled semester or you have already completed it, please adjust this plan by swapping it with another course. Be mindful of prerequisites.

If you have heavy commitments outside of school or prefer a slower pace of learning, you might want to consider the **6- semester** roadmap instead.

If you need additional help, make an appointment with an Art & Design major advisor.
