Confirm major & non-major requirements with your advisors.			*Develop relationships with Art faculty; seek mentorship and/or career advice.*			*Apply for graduation the semester before you expect to graduate.*			*Prepare to graduate: build portfolio and/or apply for jobs/internships.*		

Key Studio/Design major courses | Art History major courses | 1-2 credit BFA courses | University GE/breadth requirements (confirm any additional requirements with advisor)

This SAMPLE plan shows how to complete the program from junior standing to graduation in four semesters. **To complete the above coursework within this time requires having finished Art 100, 101, 102, 103, and ALL lower division GE/breadth courses prior to junior standing**, and enrolling in about 16 units per semester during junior and senior years. It is a rigorous pace that may not be right for everyone. If you have not completed the coursework as listed above, or if you have heavy commitments outside of school or prefer a slower pace of learning, talk to your advisor about a 6-semester plan instead (12-13 units/semester).

If a course is **unavailable** in the scheduled semester or you have already completed it, please adjust this plan by swapping it with another course. Be mindful of prerequisites.

If you need additional help, make an appointment with an Art & Design major advisor.
