LEARN ABOUT STUDENTS WITH

Invisible Disabilities

A presentation for faculty, staff, and students by Drs. Sarah Taylor, Shubha Kashinath, and Catherine Brown

Tuesday, January 12, 2016
9 - 10:30 a.m.
Biella Room, University Library

Join us for a panel discussion on invisible disabilities to learn which are most common among our students, and the strengths and challenges associated with these disabilities. The panel will also share strategies for making courses accessible and engaging for students with invisible disabilities.

Individuals that require accommodations for this event please contact Accessibility Services.
