RESEARCH QUESTION
In what ways is the new Program Review process effective in evaluating academic quality and student learning?

EVIDENCE
- New Program Review Document (CAPR9)
- Programs evaluated for student learning results, external reviewer, 5-year program plan
- Pilot MOUs
- Annual Reports hold programs and administrators accountable for academic quality, progress, and resources in MOUs
- Evidence narratives of student learning assessment

METHODS
- Five-Year Program Review
- MOUs
- Annual Reports
- Examination of Outstanding Examples

ACTION TAKEN
- CAPR Chair met with college councils to prepare for program reviews
- MOUs reflect agreements; College Deans engaged
- 30% of Annual Reports describe attempts at assessing student learning outcomes

ACTION PLANNED
- Faculty Development Workshops; CAPR 9 Retreat
- Increased number of special workshops
- Use outstanding departments as examples
