EIRA-ECL FAQs for A2E2 Website

Frequently Asked Questions are listed into four categories below:
   a. Definitions and Information
   b. Proposals
   c. Source and Use of Funds
   d. Resources and Information

DEFINITIONS AND INFORMATION

Q1. What is the difference between ECL and EIRA?
   
   **Enhanced Course Learning (ECL)** funds are for course activities or consumables, including those previously funded by course fees of $50 or less and course field trips.

   **Enhanced Instructionally Related Activities (EIRA)** funds support instructional activities and experiences that enhance formal course offerings by providing additional learning opportunities. Proposals may be sponsored by a faculty member, group of faculty members, or department, and must align with Student Learning Outcomes (SLO), whether Institutional or Programmatic.

Q2. What is the definition of a ‘field trip’?

   A field trip is a university course-related, off-campus activity led by a faculty or staff member and designed to serve educational purposes. A field trip would include the gathering of data for research (such as at a geological or archaeological site), museum visit, participation in a conference or competition, or visits to an event or place of interest. The duration of a field trip may be a class period or longer, and could extend over multiple days. This definition does not apply to activities or placements in the context of a teacher preparation program, intercollegiate sports, or service-learning placements, all of which are governed under separate policy.

   ([https://www.calstate.edu/eo/EO-1062.html](https://www.calstate.edu/eo/EO-1062.html))

Q3. What is a ‘significant benefit’ to students?

   Demonstrated student success in relation to ILOs ([Institutional Learning Outcomes](https://www.calstate.edu/eo/EO-1062.html)), PLOs ([Program Learning Outcomes](https://www.calstate.edu/eo/EO-1062.html)) or SLOs ([Student Learning Outcomes](https://www.calstate.edu/eo/EO-1062.html)).

Q4. What is the definition of ‘encumbered’?

   The division/department has entered a purchase order to acquire goods or services and a cost is associated with the order. Until the order is filled and has been paid for, the cost is *encumbered*.
to record the obligation to pay. This word is used on the reports.

Q5. What is the difference between *supplies* and *equipment*?

Supplies are consumable items that are used up after a single use (or in some cases after a few uses). Equipment can be used over the course of a number of years, depreciating over time from wear.

Q6. What is CFS?

CFS is the Common Financial System and is where all financial data is stored.

PROPOSALS

Q7. What is the process and criteria for funding proposals?

Each year the A2E2 Advisory Committee will review all proposals and make recommendations to the Provost for funding those proposals that best meet the required criteria.

The criteria are as follows:

a. Relation to Program/Student Learning Objectives or Institutional Learning Outcomes
b. Clarity of description
c. Feasibility of the program, within the time and budget proposed
d. Plan for assessment of learning outcomes
e. Depth and/or breadth of experience
f. Number of students directly benefiting
g. Results of previously funded programs involving coordinating faculty or department(s)
h. Anticipated non-EIRA/ECL sources and amounts of support, if any

A sample evaluation rubric can be found at: [http://www20.csueastbay.edu/academic/colleges-and-departments/apgs/a2e2/files/docs/rubric.pdf](http://www20.csueastbay.edu/academic/colleges-and-departments/apgs/a2e2/files/docs/rubric.pdf)

Q8. Will late proposals be accepted?

No. The deadline for submission to the A2E2 Committee is March 4th, and no proposals will be accepted after this date. There is an earlier deadline for submission to Dean’s/AVP’s. Please refer to Funding Proposal form for additional information.

Q9. If a department has multiple proposals for ECL funds, can the department submit them all in one
A department may choose to group like-courses together. Maybe they will be sharing supplies or they will be doing a similar activity or they might share the same “course fee.” For example, one department is dividing the courses into three groups: 1) non-major or service courses; 2) major courses; and, 3) special post-bac courses (must be state-funded).

Q10. If proposals are approved, what are other requirements?

You will be expected to submit a mid-progress report (winter quarter of funded year) and a final report (fall quarter of the following year) to the A2E2 Advisory Committee.

Q11. Is funding guaranteed for previously approved and funded proposals?

No. All proposals are year to year.

Q12. How will the committee gather additional information regarding specific proposals if they have questions or concerns?

The committee intends to provide time for proposal coordinators to speak with committee members who are reviewing the proposal.

Q13. Can a proposal for EIRA include more than one department/college/division?

Yes. Proposals must indicate what portion of activities and of funds will go to each department/college/division.

Q14. Will proposals and/or reports on funded activities be posted publically?

Proposals and/or reports on funded activities may be posted on the A2E2 website.

SOURCE AND USE OF FUNDS

Q15. Who can apply for A2E2 EIRA-ECL funding?

Proposal coordinators are limited to Unit 3 faculty.

Q16. If a department does not spend all of the money, what happens to the rest?

Unused funds will be go back into A2E2 funds for future proposals. Funds are not permitted to be used for any other purposes besides those detailed in the project proposal. Proposals will not have access to unspent funds after the academic year.

Q17. What happens if a department overspends?

This will negatively impact any future proposals by the coordinator or for the activity/program.

Last updated February 9, 2016
Q18. If a course is funded, does it guarantee that the course will be offered?

No. Course offerings are determined by departments at the discretion of the college.

Q19. Can A2E2 EIRA or ECL funds be used for creating a new course?

No. This is prohibited in the A2E2 documentation. New course development costs should be part of the operating budget for the college/department. You should ask your dean for funding if the department doesn't have funds.

Q20. What courses can A2E2 funds be used for?

A2E2 funds can only be used to support state-funded courses.

RESOURCES AND INFORMATION

Q21. What are some examples of past supported EIRA/ECL proposals?

- University Art Gallery
- Museum of Anthropology
- Arroyo Literary Review
- Peer Mentor Activities
- Development of new tool-based experiments
- Career Fair
- Guest speakers/performances
- Laboratory course consumables for majors

Q22. Where can I access blank A2E2 Forms?

All A2E2 forms can be found at

http://www20.csueastbay.edu/academic/colleges-and-departments/apgs/a2e2/

Q23. Where can I find a list of Institutional Learning Outcomes (ILOs) and Student Learning Outcomes (SLOs)?

- SLOs http://www20.csueastbay.edu/about/institutional-effectiveness/wasc-archive/assessment/slo.html

Q24. How would you like to see my CFS report?
A report should be run by the applicable program code (ECL and EIRA programs are assigned a program code in CFS) to reflect the total expenses incurred through the date requested. Program code can be selected under the Financial Dashboards - “Manage my Budget” option in the CFS Data Warehouse. The A2E2 fund designation is EB003. Please feel free to contact Audrey Katzman if you have any questions about this process at audrey.katzman@csueastbay.edu

Q25. Sample Attachment A: EIRA and/or ECL Funding Proposal (Part II)

Who should I contact if I have additional questions?

Faculty Committee Members:

Buddy James, A2E2 Co-Chair, College of Letters, Arts and Social Sciences
buddy.james@csueastbay.edu

Paul Carpenter, College of Education and Allied Studies paul.carpenter@csueastbay.edu

Dana Edwards, University Library dana.edwards@csueastbay.edu

Steve Peng, College of Business and Economics steve.peng@csueastbay.edu

Helen Zong, College of Science helen.zong@csueastbay.edu

Committee Convener:

Audrey Katzman, Office of the Provost audrey.katzman@csueastbay.edu
