Convene Winter Quarter Meeting:

Hodges opens meeting – some history, CPAB has been around for 9-years – issued Laty Johnson the first CPAB gavel.

Chief Hodges – explains UPD location and sworn officers (CSUEB is the only CPAB within the CSU).

1. GUEST SPEAKER: CHIEF HODGES – Discussed campus hosting Urban Shield operation held 1 of 35 scenarios on CSUEB October 2011; Not sure if CSUEB will participate in 2012; Family is his priority.

2. UPDATE ON CRIME STATISTICS

Laty: explains the meeting dates – Jennifer Miranda will be guest speaker in May

(passed out UPD Summary Statistics Activity Report (Jan-Feb-Mar 2012) there is a more detailed report Laty noticed quite a few incidents in Housing...then it moves to Judicial Affairs (student conduct violations/sanctions (Carol Nowicki) – Research installing a sub-station in Pioneer Heights to help out with statutory violation, student code of conduct and then there is a housing conduct violations. (eviction, expulsion etc.) Under aged drinking, marijuana, outside visitors. CPAB gives ideas to greater community - How can we work together for any recurring incidents? Noted by the Activity Report – noticed a lot of calls for Pioneer Heights, auto burglary.

Hodges: Personal Safety – Workplace violence (classes/offices) Problems with failure to report some disregard early warning signs & early intervention. Housing => now a camera project (it is expensive BUT effective) Some don’t like the “Big Brother”. Cameras can help out with identification of people and property – most are crimes of opportunity.

3. MOST RECENT UPD/CPAB – (Lessons Learned) (Kevin Gonzales) (see hand-out on upcoming events) * May: Self-defense classes (2-hour classes: Sorority, Housing & athletes) separate for women and men. Also personal safety. “Break the Silence – Speak out on Violence”. Also “Take Back the Night” on domestic violence and sexual assault.

a. **CCW UPDATE (Jan G.)** Started in SA building – 17 people are signed up for this sub-committee of CPAB – good presence on 3rd floor (PEMSA) – Need help on 1 and 2 floor and also on 4th floor. Goal was to start in SA building then move on to other buildings. We have asked MB, CSCI,... Obstacles with person-2-person....feel we are at a stalemate. Sgt. Gonzales began it and would like to see it grow to other locations.
