

Citrus College **CSUGE** Transfer Pattern 2017-2018

Citrus College General Education Pattern for Transfer to the California State University System

General Education (GE) consists of courses selected from a variety of disciplines, intended to provide a well-rounded education. Completing a GE pattern is one of the recommended components for transfer to any CSU. Other transfer components include grade point average and preparation for the major coursework. Please visit the Transfer Center or Counseling office to obtain all the requirements for transfer to a CSU.

GOLDEN FOUR: Areas – A1, A2, A3 and B4 are required for admission into any CSU. P/NP grades are **not** recommended in these Areas, as many CSU campuses require letter grades of “C-” or better for graduation

Minimum admission eligibility for upper division transfer applicant: (1) completion of at least 60 transferable units with a minimum GPA of 2.0; (2) within total units completed, completion of a minimum of 30 lower division units of General Education/Breadth; and (3) completion of areas A1, A2, A3 and B4 with a grade of “C-” or better.

Students are encouraged to see a counselor or advisor by appointment to discuss transfer and the CSU-GE Breadth option as part of a student educational plan.

NOTES:

- To qualify as an upper-division transfer, a student must:
 - complete a minimum of 60 CSU transferable semester units (a maximum of 70 units will be accepted), with a grade point average of at least 2.0 (2.4 if a nonresident) in all transferable college units attempted;
 - Complete at least 30 of those units from general education courses in areas A through D, including courses in each of the following areas with grades of “C” or better: **A1, A2, A3, and B4.**
- While a course may be listed in multiple areas, it may only be used to satisfy one area requirement. (As U.S. History, Constitution and American Ideals is a CSU graduation requirement, courses may be used to fulfill both the CSU GE Breadth requirement and the graduation requirement.)
- Students with Advanced Placement (AP), College-Level Examination Program (CLEP), and/or International Baccalaureate (IB) examinations should check with a counselor to verify application of the examinations to the appropriate general education areas.
- Courses on this CSU General Education Breadth list are approved annually for the academic year, which begins with the Fall 2017 semester and remains valid through Summer 2018. If a course is taken before it is approved or after it is removed, it cannot be used to satisfy CSU GE Breadth. See assist.org for up-to- date as well as historical course approval information.
