Degree Option II

Transfer Plan for CSU A.A. Degree Program (Liberal Arts)

Option II Target Students

Designed for individuals who plan to transfer to the California State University system and who also wish to complete an A.A. degree. Upon certification, this option meets the lower-division California State University system general education breadth requirements. It also enables individuals to transfer to some of the private, four-year colleges in the area.

Option II requires completion of at least 39 units of general education courses, to include the specific requirements listed in Groups A through E plus major and/or elective units (numbered 100-299) to total 60 units. A grade of C or better is required for all courses in Groups A and B4.

Transfer students are advised to complete History 170 or 175 and Political Science 100 from Group D. Proficiency in these areas is required prior to graduation from the California State University system.

NOTE: A single course will not meet more than one group requirement.
