<p>PLEASE NOTE THE FOLLOWING:</p> <ol style="list-style-type: none"> Las Positas and Chabot College DO NOT share CSU GE-B or IGETC patterns. If you are interested in enrolling in a course at Chabot, please be sure to see a counselor. For a course to meet a CSU GE-B requirement, the course must be on the CSU GE-B pattern during the academic year it is taken. Completion of the CSU GE Breadth pattern is not an admission requirement. If appropriate for the major, students may complete the minimum eligibility requirements for admission to a CSU – see a counselor for details and advisement. Advanced Placement (AP) exams with passing scores may be applied to the CSU GE-B pattern. For details, see a counselor and/or the AP chart in the Catalog. Request a CSU GE-B Certification in the Admissions & Records Office at the end of the last semester before transferring. GE certification is the process by which the community college verifies that a student has completed all of the required coursework for the CSU GE-B pattern (partial completion is possible), which is sent directly to the transfer institution. If CSU GE-B is not certified, students may be subject to the lower-division GE requirements of the campus to which they transfer.
