NOTE: The first number in the ( ) is semester units granted by all campuses of the CSU, at a minimum, as elective credits which count toward the 60 transferable units necessary for admissions eligibility. This list includes only AP exams approved for CSU GE and is not exhaustive; unit limitations for electives include 6 units for both calculus exams, and 6 units for more than one physics exam (see counselor for additional details).

NOTE: AP GOVT: U.S. Exam may be used to clear CSU GE AREA D8; however, in order to clear the CSU American Institution graduation requirement for Federal, State, and Local Government students must also complete POLS 10.

CSU G.E. PASS ALONG WORKSHEET

Certification of CSU G.E. requirements is the process by which California Community Colleges and other regionally accredited certifying institutions may (1) certify their own courses, (2) certify and pass along courses from other certifying institutions, and (3) certify and pass along courses from non-certifying, regionally accredited institutions. Certification of CSU G.E. requirements is the process by which California Community Colleges, CSU campuses, and the following independent colleges: Fashion Institute of Design & Merchandising, Heald College, Humphreys College, Marymount College, and San Joaquin Valley College. All other regionally accredited institutions are non-certifying institutions.

DIRECTIONS: (1) Enter the following in “COLUMN 1” for courses from certifying institutions: name of institution, course prefix and number, and the semester the course was completed (e.g. FCC-Eng 1A-F92). These courses must be certified in accordance with the pattern of the source institution. (2) Enter the following in “COLUMN 2” for courses from non-certifying institutions: name of institution, course prefix and number, and the semester the course was completed; and enter the parallel course in “COLUMN 3”. These courses must be equivalent to courses on a CCC’s CSU GE Pattern (if not COS, include CCC name – e.g., FCC). Use drop down box to enter units completed for all courses in the “AREA/UNITS COLUMN” (convert quarter units to semester units).
