

2018 - 2019 CSU General Education Breadth Requirements

Upon completion of the full pattern of courses listed below, Skyline College will certify that a student's lower division general education requirements have been completed for any of the 23 campuses within the CSU system (partial certification also available). Certification is not automatic. You may request certification with your final transcript online via Websmart. For further information, please consult a Skyline College counselor or the Skyline College Admissions and Records Office.
