K. Dhillon states the Personnel Committee will discuss the future plans in regards to choosing a new CSUEB mascot. R. Miller says he has been working with Kabir and Daisy for setting up an outline. He says they are not rushing into it right now, but it is one of their priorities. He adds that the goal for now is to have a task force going. D. Maxion says she met with Andrea and Derek from the President’s office and they mentioned that they have officially removed Pete from Pioneer Pete; since there has not been enough noise to find a new mascot, they are not going to continue it. She adds that she told Riley if he wants to take on this initiative and continue finding a mascot, then that would be great. E. Pinlac recommends asking athletes for suggestion because the mascot is mainly used for athletics. D. Maxion says they are thinking of bringing in alumni and current students. E. Pinlac says they either have to inspire students to think about it, or take a step back if they can’t get it done. R. Miller comments that most people he talked to did not know that they don’t have a mascot anymore. E. Pinlac recommends talking to other campuses that don’t have a mascot, and asking about pros and cons. D. Maxion comments that student engagement in this type of topic isn’t very high. E. Pinlac adds that the survey that the task forces did got about 1,000 participants. K. Dhillon reads the default report for the Pioneer Pete survey that was conducted on May 25th, 2019. He reads that alumni were between 700-800, faculty were between 100-200, staff were a little less than 200, and others were less than 50. He adds that the committee’s recommendation was to keep the mascot name, and other recommendations were no mascot, astronaut, a star, a compass, a cat, etc. E. Pinlac says if they want to take it on, then they can create an Ad-Hoc Committee to work on this. K.
