IA2012-1 AUDIT COMMITTEE CHARTER

Purpose
To assist the California State University Associated Students Inc. in fulfilling its oversight responsibilities for the financial reporting process, the system of internal control over financial reporting, the audit process, and the company’s process for monitoring compliance with laws and regulations and the code of conduct.

Authority
The audit committee has authority to conduct or authorize investigations into any matters within its scope of responsibility. It is empowered to:

- Retain outside counsel, accountants or others to advise the committee or assist in the conduct of an investigation
- Seek any information it requires from employees – all of whom are directed to cooperate with the committee’s requests – or external parties
- Meet with company officers, external auditors or outside counsel, as necessary

Composition
The audit committee will consist of no more than 4 committee members of the board of directors and relevant university administrators. The board of directors will appoint committee members and the committee chair. Members are to include Associate Vice President of Student Affairs, Associate Vice President of Administration and Finance, ASI President, and ASI Vice President of Finance. At least one member shall have expertise in financial reporting.

Meetings
The committee will meet at least twice a year or as needed, with authority to convene additional meetings, as circumstances require. All committee members are expected to attend each meeting, in person or via tele – or videoconference. The committee will invite members of management, auditors or others to attend meetings and provide pertinent information, as necessary. It will hold private meetings with auditors (see below) and executive sessions. Meeting agendas will be prepared and provided in advance to members, along with appropriate briefing materials. Minutes will be prepared.

Responsibilities
The committee will carry out the following responsibilities:

- Financial Statements
- Review significant accounting and reporting issues, including complex or unusual transactions and highly judgmental areas, and recent professional and regulatory pronouncements, and understand their impact on the financial statements
- Review with management and the external auditors the results of the audit, including any difficulties encountered
- Review the annual financial statements, and consider whether they are complete, consistent with information known to committee members, and reflect appropriate accounting principles

"Students working for Students!"
• Review other sections of the annual report and related regulatory filings before release and consider the accuracy and completeness of the information
• Review with management and the external auditors all matters required to be communicated to the committee under generally accepted auditing standards
• Understand how management develops interim financial information, and the nature and extent of internal and external auditor involvement
• Review interim financial reports with management and the external auditors, before filing with regulators, and consider whether they are complete and consistent with the information known to committee members

Internal Controls
• Consider the effectiveness of the company’s internal control over annual and interim financial reporting, including information technology security and control
• Understand the scope of internal and external auditors’ review of internal control over financial reporting, and obtain reports on significant findings and recommendations, together with management’s responses

Internal Audit
• Review with management and the internal audit director the charter, plans, activities, staffing and organizational structure of the internal audit function
• Ensure there are no unjustified restrictions or limitations, and review and concur in the appointment, replacement or dismissal of the internal audit director
• Review the effectiveness of the internal audit function, including compliance with The Institute of Internal Auditors’ Standards for the Professional Practice of Internal Auditing
• On a regular basis, meet separately with the director of internal audit to discuss any matters that the committee or internal audit believes should be discussed privately

External Audit
• Review the external auditors’ proposed audit scope and approach, including coordination of audit effort with internal audit
• Review the performance of the external auditors, and exercise final approval on the appointment or discharge of the auditors
• Review and confirm the independence of the external auditors by obtaining statements from the auditors on relationships between the auditors and the company, including non-audit services, and discussing the relationship with the auditors
• On a regular basis, meet separately with the external auditors to discuss any matters that the committee or auditors believe should be discussed privately

Compliance
• Review the effectiveness of the system for monitoring compliance with laws and regulations and the results of management’s investigation and follow-up (including disciplinary action) of any instances of noncompliance
• Review the findings of any examinations by regulatory agencies, and any auditor observations

"Students working for Students!"
• Review the process for communicating the code of conduct to company personnel, and for monitoring compliance therewith
• Obtain regular updates from management and company legal counsel regarding compliance matters

VP of Finance Reporting Responsibilities
• Regularly report to the board of directors about committee activities, issues and related recommendations
• Provide an open avenue of communication between internal audit, the external auditors and the board of directors
• Review any other reports the company issues that relate to committee responsibilities
