Chair Andres states that CSUEB used to have a radio station and she’s working with Christopher Prado to get a radio station back on campus.

"Students working for Students!"
She is going to research some ideas to see what it will take to get a station here on campus.

Chair Andres opens the floor for discussion of the radio station:

Stoll asks if other campuses operate their radio station with Associated Students and what approach would be taken at CSUEB.

Chair Andres states that financially there wouldn’t be a studio opened for the radio station, due to all the expensive equipment needed in order to run the station.

Grottkau suggests that there can be a segment earlier in the week for the Live @ Noon. Also there can be money put aside to start a budget for the radio station within the next few years.

b. Spring Fest- Theme, Food, and Beer Tent

Chair Andres states that Jonathan Stoll has finished his surveys yields the floor to him for a discussion of the artists:

Stoll states that Trey Songz was the winner of the survey but there were interests in Sum 41 and Wall-E. Moving to get Trey Songz on the date of May 15th, 2010 and alternative artists will join Trey Songz at Spring Fest.

Chair Andres states that she wants to come up with a theme for Spring Fest and want to bring out more pioneer pride. The committee can come back next week to put some themes on the table.

Grottkau states that the focus this year has been on pioneer pride so that should be the theme of the Spring Fest. Also students that are wearing the pioneer gear can possibly be entered into a raffle.

Chair Andres states she is going to look into giving away hot dogs at Spring Fest.

Stoll states that the committee will need to figure out if a Beer Tent is even allowed; and if so, there will be a lot of planning involved with respect to this type of event.

Chair Andres states that she will be speaking with Stan Hebert regarding the Beer Tent.

Stoll states that the dates are not set but if any committee members know of any artists let them know about the Battle of the Bay.

c. ASI Blog

Chair Andres states that she is working with Christopher Prado on the ASI Blog. The Blog on the website will actually inform students on recent
up updates taking place within the Board. States that if the committee wants
to get involved let her know and hopefully it will be up and running by
spring time.
