      Chair Tafoya states the committee can do a better job promoting the game room to have more students utilizing the facility. He opens the floor to the committee: Hutchinson states that the game room really needs promotion. He states that he spoke with someone in the game room regarding the game tournaments. Premmanisakul states that there should be some type of free coupons associated with playing in the game room.

"Students working for Students!"
Chair Tafoya states that the banner intended to advertise the game room should be a larger size. Proposals were generated for a free game day on Fridays due to the low number of people on campus. Also there should be updates on actual games; a lot of the games are out of date.

Lara states that new games have been purchased at the start of the quarter, but the amount of people utilizing the game room was still very low. There are hopes that this committee will take on the Marketing, new supplies for the facility is not the answer.

Wirt states that there should be some type of discount put into place during peak hours. Perhaps free for students for a set amount of hours during each day.

Chair Tafoya states that there is a possibility of may be lowering the prices to bring more students into the game room.

2. Food Service Discussion

Chair Tafoya states that Vice Chair Hutchinson and he had a discussion with Dr. Lara regarding the Aramark food services. There have been a lot of complaints regarding the prices and quality of the food on campus.

In hopes of trying to go over the survey that Aramark has available to try to make some changes. He would like in the near future that the committee can create a survey for the CSUEB students to fill out.

Hutchinson states that the committee should come up with a deadline for Aramark to give the survey to the committee and if they don't meet the deadline the committee comes up with their own survey to conduct.

3. ASI Board of Director's portraits

Chair Tafoya states that Board Members photos are located along the second floor wall by the restrooms: indicates to the committee that maybe the portraits should be moved upstairs closer to the ASI office.

Hutchinson suggests that along with the portraits being posted, there should be a description of each Board Member duties along with their titles.

Chair Tafoya suggests there be some type of maintenance request for the carpet in the University Union.

4. Computer kiosk/station

Chair Tafoya states that there has been an idea on the table of having a computer station consisting of computer cables in the University Union. There will be some computers put in the Union. He opens the floor for a discussion on the idea.

Hutchinson states that a computer station is a good thing to have for students. Al-
so adds an idea of having a printer station.

Chair Tafoya suggests that the printer station will consists of more materials. The original idea was just to simply have a computer station. A lot of students will consider this a sanctuary where they can study.

Lara states that a printer station will go against Environmental Affairs goals.

Chair Tafoya states that one of the possibilities will be getting WIFI Routers

Lara suggests that the committee take their laptops to different sections in the University Union and test the wireless connection.

5. Establishing a meeting time for the remainder of the quarter

Chair Tafoya states that there has been trouble with setting an actual committee meeting time. Also if the committee decides to meet on a weekly basis there will be a lot of pressure on administration to get a lot of the tasks done.

Motion: (Hutchinson) to meet Wednesday’s on a biweekly basis for the remainder of the Winter Quarter at 10:00am.

Motion Carries.

VII. Round Table Remarks:

Chair Tafoya: suggests that if any of the committee members wants to see something on the agenda to let him know via email. Also the committee has to push marketing for the game room.
