Motion: (Quintana) to approve Gamma Zeta Alpha Fraternity for the Cinco de Mayo Celebration in the amount of $264.92.
Ricky J. Alvarez, the representative of Gamma Zeta Fraternity, states that this is the third year of doing this event. All the organizations come together to celebrate and educate students of the true meaning of Cinco de Mayo. All of the organizations will be tabling at the event to present different facts of Cinco de Mayo as well as give out items to students. We
are also going to have a live band this year.
Ed Saffold states that this is exactly the kind of thing that we want to be celebrating within
ASI. When we look at our annual report, I think it’s unprecedented to have ten groups to
come together to do one celebration. I really want to make sure that we follow up with these
leaders and do some form of story gathering and feature to talk about the impact that we are
actually going to have on the campus by working with leadership like this.
Motion Carries.

X. Action Item – Peer Advocate for Wellness 14:01-17:08
   • The Committee will consider the approval of the Cinco de Mayo Celebration
   VP Menon states that the committee will move through all of the clubs and orgs and approve
   them all at once since the requested amount of $135.00 is the same for each club for the
   Cinco de Mayo Celebration.
   Motion: (Quintana) to approve Peer Advocates for Wellness, Hispanic Student Business
   Association, Theta Lambda Psi, Interested ladies of Lambda Theta Alpha, Lambda
   Theta Phi Latin Fraternity Inc., Ballet Folklorico, and M. E.Ch.A for the amount
   of $135.00 for the Cinco de Mayo Celebration.
   Hebert states that he would like the committee to consider adding the Society of Women
   Engineers to the motion since it is the same event and amount even though there is no
   representative present. As we’ve heard from the description of the event, it does involve a
   collaboration of several organizations. I would expect that their presentation would be
   supportive of the same event, therefore we could consider that.
   Quintana states that the amount requested for the Society of Women engineers is a different
   amount.

XVIII. **Action Item – Alpha Phi Omega Flag Football BBQ and Potluck 18:11-28:25**
Allen Luu, representative of Alpha Phi Omega, states that the Flag Football BBQ and Potluck will take place on April 29th. Wild 94.9 and Monster Energy Drink will be coming to our event to help sponsor. This event is a way for all the brothers in Alpha Phi Omega in different schools of the Bay Area to bond with one another. Seven different chapters will be attending. We are expecting 200-300 people to be there. We are also trying to get other cultural groups to come out and showcase their culture. We are trying to make this even big and festive. I want to ask if I can add another item such as photo props.

**VP Menon** states that just to let the committee know, I spoke with Allen Luu on Friday. He just crossed into the fraternity, so he is just now learning about the entire process of funding. He started from scratch on Friday to plan the event and he finished everything for funding this morning. I believe that is more than enough initiative from their side in which they've shown. As long as we are okay with putting this up for a vote; I would see no issue with this. He has requested $980.00 in terms of his funding paperwork. We have a $1500.00 limit of funding for this quarter; therefore they would be able to add additional items as long as it does not exceed the $1500.00 cap.

**Motion:** (Dharani) to approve the Alpha Phi Omega Flag Football BBQ and Potluck Event.

**VP Menon** lists the following amounts of the funding requested:
   - Advertising $221.94
   - Clothing $28.41
   - Food $531.62
   - Rentals $10.80
   - Miscellaneous Items:
     - Trophy $165.00
     - Champion Medals 23.04

**VP Menon** states that the total amount requested for these items is $980.00.
Allen Luu asks to possibly split the amount of advertising in half to use it to get other items such as photo props.

**VP Menon** states the idea was to split the advertising cost, but to make it easier we can just add additional $50.00 total amount. We will add $20.00 to advertising and $30.00 to
miscellaneous. The total amount requested for this event is now $1030.81.

Motion: (Dharani) to amend Alpha Phi Omega in the amount of $1030.81 for their Flag Football BQQ and Potluck event.
Motion Carries.
