This year the finance committee ran out of funds. **Reza Khorasani** recommends requesting a cultural graduation policy to make sure there will be funds for the graduations. The chair of the committee begins to form the policy with help from the committee members as well as advisors. The club must be a recognized club as well as there should be a collaboration with other orgs. The events cannot charge the students to attend; students choose to participate in the event. Erik Pinlac is afraid that the numbers will increase each year.

B. DISCUSSION ITEM- Student Clubs and Organizations Funding Policy Revisions
Reza Khorasani has a question for the clubs and orgs who are here at the finance committee meeting. Reza Khorasani wants to know how the clubs and organizations would feel about just getting a quarterly limit rather than having a funding limit on multiple categories. Reza Khorasani would like an exact cost amount in order to provide the fund; he would need the receipts as well. Carmen Romero would like funding for the convention that will be in the summer. It will be cheaper to have four students attend rather than a smaller room. The event will be in August, there is a strict schedule. They will be requesting for ASI to cover the transportation as well as the registration and rooms. They were requesting $2,250.50, Reza Khorasani stated they would only fund $1,000 and for the rest of the amount they would need to ask the Board of Directors. Grant Frink would like to attend the 111th national convention for Alpha Phi Alpha fraternity. The convention is a requirement in order to be considered a charter.
