      The committee discussed the changes to the ASI scholarship policy. ASI relaunched their scholarship; the award is of $1,000. The scholarship is split up into two different categories the high achieving students and the students in need of funds. There was an existing policy but they ran into a problem so the policy will be relaunched in the spring. The applicant will need a 3.0, declared major, enrolled full time. Anyone and everyone are
welcome to apply except board members or ASI Senate. The students who are in need of financial aid will need to apply reasons as to why the funds are needed, undeclared major, enrolled fulltime, a letter of recommendations. The committee reorganized the policy to make it noticeable that there are two different scholarships and the student cannot receive both.
