Senator Patterson, Senator of Diversity, wants to start a taskforce for the Tunnel Of Oppression Event; to have more students involved in planning so they can have more creative ideas. Will be collaborating with various departments on campus (RAW, Accessibilities, and Counseling Department). April 10th is the actual set up date which will go through April 14th which is the break down day.

3. **DISCUSSION ITEM – CONCORD DIVERSITY EVENT**

Senator Patterson, Senator of Diversity, states that the staff and faculty are very conservative, but the students are very diverse. Concord is a very diverse campus, but nothing for students to actually enjoy the diversity. Senator Patterson wants to have a multicultural event at the concord campus so all students can feel comfortable and involved on campus. Senator Patterson feels as if concord is neglected and we have to remember that there are almost 1500 students there so they do have a voice.

C. McKeithen brings up a potential “90’s field day” event that Black Grad wants to host and they would like to know if ASI would be interested in helping them organize it. They later discuss how they will be able to fund it, but they really like the idea.
