IV. ACTION ITEM - Approval of the Minutes of August 22nd, 2018
Motion to approve the minutes of August 22nd, 2018 by D. Maxion, second by K. Parada, motion PASSED.

V. PUBLIC COMMENT – Public Comment is intended as a time for any member of the public to address the board on any issues affecting ASI and/or the California State University, East Bay.
Jesus Sanchez, the Vice President for ALPFA. He wants to inform and get support from the student body government for his Fall Symposium event on October 20th, 2018 where he is expecting 400 members to come in from all over the west coast region. He informs the board that he is not here to ask for funds but may ask in the future. M. Baron tells Jesus Sanchez to send her a flyer of the event on Instagram. M. Castillo informs J. Sanchez that the date of the event is a little problematic because it’s on the same weekend of the Annual Alum Night so the discussion of changing the date is behind the scenes.

VI. UNFINISHED ITEMS
No unfinished items.

VII. NEW BUSINESS ITEMS:

A. INFORMATION ITEM - Roberts Rules Presentation
R. Finazzo gives training to the board. The purpose of Robert Rules is to make meetings quicker, keep order and get business done but this is a myth, the purpose should be to make meetings more effective. R. Finazzo explains what happens at a meeting, how decisions are made and how to vote. E. Pinlac suggests that we can practice voting
anonymously on minutes. **R. Finazzo** goes over the duties of members and encourages them to participate. Q/A is open to the members. **M. Watkins** states that you should speak with confidence when a committee is presenting their information to the chair. **R. Finazzo** informs everyone that they all have access to the presentation and resources.

21:43

**B. DISCUSSION ITEM – Senate Constitution**
The board discussed potential edits to the Senate Constitution. **K. Dhillon** states that the changes to the Constitution include formatting and adopting the language to reflect the semester system. On page 3, under article II section I, effective Fall 2018 is now changed to Fall 2018. The first sentence of Article II, section II is changed to “All positions on the ASI senate shall be recommended by the personnel committee”. In section II, personnel committee accepts the recommendation and makes their own recommendation to the Board of Directors. The first official annual meeting of the ASI senators will occur in the fall semester of the school year. On page 7, the role of Vice President of the University Affairs is changed to create semester retreats. On page 8, “all service of voting numbers of the ASI senate, the University Affairs Committee according to last year’s got scratched out”, so it is just the senate. On document page 13, Article V, Section I, regular senate meetings shall be called at least twice a month during each academic semester. Senate meetings shall be called by one of the chairs on the request. Document page 14, Section VI states that “each officer shall have one vote except the co-chairs”. Document page 15, the word quarter” is now changed to “semester”. Action will be taken next week on the edits.

26:45

**C. INFORMATION ITEM – U-Hour Overview**
**Kenrick Ali** and **M. Castillo** gave a presentation on the University hour. **K. Parada** says that the time when no one on campus has class except for a few science majors who may or may not have labs. **M. Castillo** adds that the goal for U-Hour is for the entire campus community to be able to participate in events on campus. It is held Tuesday(s) and Thursday(s) starting at 12:15pm. **M. Castillo** shares that it was seen at this year’s Al Fresco how U-Hour had a positive impact on participation on campus. He also adds that events that take place during U-Hour should start at 12:15pm and end 1:15pm. A survey has been created to gain knowledge if students feel more included in being a Pioneer if they attend events. **M. Baron** advises to have GE professors make it mandatory for their freshman class to fill out the survey, therefore creating more results.

47:23

**D. DISCUSSION ITEM – Resolution for Establishment AD-Hoc Committee on Emergency Housing Program Policy**
The Board discusses the potential resolution above. **Z. Meade** acknowledges that this resolution is to fulfill the Emergency Housing resolution. He explains that it is meant for
ASI to begin an Emergency Housing Program on campus and be able to govern the program itself. E. Pinlac suggests that before it is approved, the Board should invite those who would also take part in the program to be able to discuss altogether. Z. Meade adds that committee members would be assigned to be the ones to review the final draft of the committee policy.

Motion to refer resolution to Establish AD-Hoc Committee on Emergency Housing Program Policy to the Executive Committee by M. Watkins, second by Z. Meade, motion PASSED.

1:02:23

E. DISCUSSION ITEM – Freshman and Transfer Orientation

The BOD discussed the new initiative ideas for Orientation and encourages the implementation of such initiatives. R. Finazzo mentions that it was a task that was given by the President of the University, to implement other ideas that would be helpful. K. Parada asks that everyone who has an input onto the shared document on the drive to speak up and explain their input, also adding that there will be freshman and transfers starting in the spring which means there will be some orientations in December. She suggests having “hands on class scheduling” so that new students become familiar with the process. K. Dhillon suggests bringing more programs into the GE classes so that students become more familiar. K. Parada also adds informing students about medical and academic resources on campus. M. Castillo discusses that he is noticing that many of these comments from the Board, including using a computer so that students can visually see and practice themselves with Blackboard, MyCSUEB, etc.

1:19:44

F. DISCUSSION ITEM – Resolution to encourage an implementation Blackboard Policy

The BOD discussed the potential resolution to encourage a mandatory implementation of Blackboard throughout all departments. K. Parada states that she brought this discussion item to the table because she has noticed that a lot of students do not know what their grade is because Blackboard is not being updated as it should. She adds that they would need to create a resolution which then would be sent to Academic Senate for full approval and then implement it. M. Watkins asks when K. Parada would like for this to pass; which she responds to by the first meeting in October. E. Pinlac would like have someone inform the board before a resolution is created so that specifics are spoken about the issue.

1:24:40

G. DISCUSSION ITEM – BART and AC Transit Services

The BOD discussed how we as ASI can work to determine the students’ needs and wants on this subject. K. Parada explains to the Board that this was a conversation that was held during the luncheon with the University President. She adds that she was also able to gain data from the Transit services in order to fully review what they could help change. This would be done through letting the transit services know what is and is not being met.
Motion to refer this discussion item to the Sustainability Affairs Committee by M. Watkins, second by D. Maxion, motion PASSED.
