Actions:

1. 5-0 vote to approve agenda.

2. 5-0 vote to approve minutes.

3. Discussion of revisions to MSBA program
   a. Discussion of replacing GRE requirement for admission into the MSBA program with three years of relevant work experience to attract more local students.
   b. Discussion of changing MSBA courses from on-ground to on-ground or hybrid format. All courses, except for the capstone class, would become hybrid. Some newer classes are already approved for hybrid.
   c. Pre-requisite changes to BAN 612, BAN 632, BAN 660, BAN 670, and BAN 671.
   d. 5-0 vote to approve changes.

4. Discussion of course requests for Economics
a. ECON 333: Economics of workplace management. Should be available to teach online, on-ground, and hybrid. Also, should remove “self-support” from offering mode. Should be state support or self-support.
b. ECON 450, ECON 615, ECON 645, ECON 650, ECON 651 new course requests. ECON 650 and 651 will require ECON 600 and ECON 610 to become 3-unit classes, which is part of future revisions.
c. 5-0 vote to approve courses.

5. Accounting concentration change to BSBA program.
   a. When the BSBA online program first launched, faculty were not convinced a high-quality accounting concentration could be offered. They are now convinced a high-quality concentration can be offered. Two courses will be offered per semester. Students require four semesters and one summer semester to complete the program. Students only admitted in fall semester.
   b. Vote 4-0 to approve BSBA accounting concentration in BSBA online program

6. Discussion of BUS prefix.
   a. BUS prefix created administrative problems. Proposal to have courses with BUS prefix retain prefix of their department home.
   b. BUS 325 should become MKTG 300 (new number and new prefix).
   c. Management classes requiring changes missing from Curriculog.
   d. Committee decides to hold on voting until the complete list of courses and prefixes/numbers available.

7. Discussion of ILO alignment changes for MSE and MBA
   a. ILO changed to Ethics for MBA. ILO changed to Information literacy for MSE.
   b. Vote 4-0 for alignment.
   c. Discussion of 5-year assessment plan.
      i. Would involve less assessment and more time to make curricular improvements.
      ii. Eric and Sandy will provide language of AACSB guidelines to review proposed changes.
      iii. Committee reviews the fall 2018 assessment results.
