RELEVANT SKILLS/EXPERIENCE:

- 30+ years teaching experience in public and private schools in a variety of capacities (Inclusion teacher, Special Day Class teacher, Administrator) throughout a wide spectrum of services for students with IEPs
- Level II Education Specialist Professional Clear Credential (Moderate/Severe Disabilities)
- Participation in the Advisory Committee between the CSUEB Teacher Education Department and schools in the bay area
- Co teaching at the high school level in Social Studies and English since 2010
- Participation in the School Wide Positive Behavior Support Team at GWHS in San Francisco
- Knowledge of CCSS and familiarity with K-12 curriculum
- Familiarity with and experience in implementing Adult Learning Theory and Principles
- Experiences gained with the abovementioned teaching have provided me with the skills necessary to teach under graduate and post baccalaureate students at CSUEB for the past 12 years. Content of courses have included: Positive Behavior Supports, Writing and implementation of IEPs, Special education law, Universal Design for Learning, Differentiation of instruction, Collaboration, Transition, Social Skills, Educational technology, Communication, Working with para professionals, Curriculum for students with moderate to severe disabilities
