PROFESSIONAL EXPERIENCE

The Speech Pathology Group Walnut Creek, CA
Clinical Supervisor 2005 - current

Provided clinical support for over 25-40 licensed SLP's in the East Bay area each year, including acting as liaison between non-public agency and school district administration. Duties included providing ASHA and state mandated direct and indirect supervision to more than 20 Clinical Fellows and 3 Speech-Language Pathology Assistants in various school districts, as well as developing and presenting CEU inservices across northern California.

The Speech Pathology Group Oakland, CA
Speech Language Pathologist *Skyline H.S., Bret Harte M.S., & Seneca Center Preschool* 2015 - current

Provided articulation and language therapy for students who were deaf/ hard of hearing, had oppositional defiance disorder and severe behavior challenges. As case manager, trained all IEP team members to implement verbal behavior goals and Functional Communication Training.

California State University- Northridge Concord, CA
Adjunct Clinical Supervisor 2008-2010

Provided clinical supervision for graduate students, reviewing treatment plans, directing therapy as needed, and editing evaluation reports process of accumulating hours in articulation, hearing and language assessment and treatment.

The Speech Pathology Group Concord, CA
Speech Language Pathologist *contracted to El Dorado Middle School, MDUSD* 2005 - 2008

Provided articulation and language therapy for students in middle school who were deaf/ hard of hearing, had specific learning impairments, autism spectrum disorders, and/ or dysfluency. Served as IEP case manager for approx. 20 students with Speech-Language Impairments, and was on the IEP team for another 35 students.

The Speech Pathology Group Pittsburg, CA**Speech Language Pathologist** *contracted to Lynn Center*

2002 - 2005

Provided speech and language therapy and assessed children ages 2-5 years on the autism spectrum, with developmental delays, and with syndromes in a center-based early intervention and preschool program. Trained teachers and para-educators on evidence-based strategies to use with nonverbal students (discrete trial training, pivotal response training, language enrichment, positive reinforcement, token economy systems, visual schedules, picture communication, etc).

INTERNATIONAL EXPERIENCE

Speech Pathology Group: Children's Services International (SPG: CSI)**President** Walnut Creek, CA

2008 – current

Organized all non-profit activities, including four different \$50,000 projects for autism in Eastern Europe. Coordinated seminars and practical training for professionals and University students in 3 cities in Bosnia-Herzegovina. Opened two classrooms for children with autism. Supervised research project on "Providing Speech Pathology Services in Underdeveloped Nations". Team Leader for annual volunteer trips, guiding 10-18 professionals and graduate students from the USA abroad, from 2009-2012.

Bosnia Speech and Hearing Project Sarajevo, Bosnia-Herzegovina

2001 – 2008

Coordinated 7 international teams of SLP's since 2001 to volunteer in summer therapy clinics. Presented 5 seminars regarding Speech Disabilities for professionals and caregivers. Provided mentoring and training to over 35 undergraduate students studying at the University of Tuzla in the Special Education and Speech- Language Pathology/ Audiology Departments.

Institute of Autism Spectrum Disorder Ljubljana, Slovenia

2005 & 2009

Keynote speaker for seminar regarding Autism Spectrum Disorders. Created and presented 5 days of information regarding treatment strategies and interventions for use by Eastern European SLP's and Psychologist's. Seminars included information on Applied Behavior Analysis techniques, Play-based therapy, the Picture Exchange Communication System, and Speech-Language Intervention.
