

Barbara M. Aiken

OBJECTIVE

Obtain a position as a mentor to teachers that will utilize my strong dedication to the teaching process to enhance both teachers and student's development and educational needs.

SUMMARY

Over 30 years of experience in:

- Planning, preparing and delivering instructional activities that create an environment where children are actively engaged in the learning experience.
- Identifying and adapting teaching resources to meet the varying needs of children with different learning abilities, learning agilities and special education needs.
- Offering plans for enhancement in which children are encouraged to be engaged in the learning process.
- Maintaining accurate teaching records and monitoring learning performance to provide feedback on progress – Prepared and evaluated students' performance to monitor progress.
- Researching and utilizing variety of learning materials, resources and technology methods [such as: Internet-learning, library, team learning] to support and develop the classroom environment.
- Advising and monitoring children in the use of new learning materials and teaching equipment.
- Communicating cooperatively with peers, colleagues and parents to meet teaching goals and ethical standards.
- Participating in training programs and educational courses to keep up to date with new teaching methods, new developments and teaching resources.
- Applying appropriate disciplinary measures when necessary.
