Good Morning!

Thank you for the submission of the Program Assessment Document for the Speech Language Pathology program. Attached please find the Preliminary Report of Findings from the initial review of the document with feedback and the standards’ status shown in blue and instruction for understanding and responding to feedback.

To facilitate a timely review process, and to keep the information fresh in the readers’ minds, the requested information is due by June 24, 2015.

Review PSA 10-12 for the required method of submitting new information by amending the original document. Resubmissions are to be emailed to programassessment@ctc.ca.gov. This information will be forwarded to the original readers for their review.

Documents requiring more than three reviews will now be assessed a $1,000 fee. The attached feedback is the first review.

It is expected that all Preliminary Reports of Findings will be finalized at least six months before the scheduled site visit. Programs that have not been completed may result in an in-depth site visit review, rather than program sampling and will incur a cost recovery fee of $3,000 per program.

Thank you,
