THE DEPARTMENT:
The Department of Educational Psychology is seeking a tenure track full time faculty to replace our Interim Coordinator to teach classes in and coordinate our School Counseling Program.
The above graphic depicts our unique School Counseling Program, which is embedded, along with our School Psychology Program, into what we call our Pupil Personnel Services (PPS) Program, 3:1 model.

Our School Counseling Program is unlike other programs in that our students receive 1) the Master’s of Science in Counseling, 2) coursework and fieldwork training necessary to receive a California Pupil Personnel Services Credential in School Counseling, and 3) coursework and fieldwork necessary to be able to apply for a Marriage and Family Intern License (MFTI). This means that we are accredited and evaluated by a number of agencies.

In fact, one of the most important aspects of being the School Counseling faculty member who serves as the School Counseling Coordinator is that s/he must stay abreast of all the changes in the rules and regulations of the various agencies and complete all of the evaluations, such as with the California Teacher Credentialing (CTC), Western Association of Schools and Colleges (WASC), Council for the Accreditation of Educator Preparation (CAEP) necessary to maintain the program and its accreditations, along with internal University evaluations, such as Committee for Academic Planning and Review (CAPR), the College of Education and Allied Studies (CEAS)/Unit Accreditation and Assessment Task Force, and Programs for Distinction. Moreover, the School Counseling Coordinator works closely with the School Psychology Coordinator, the Pupil Personnel Services (PPS) Cluster’s Licensed Marriage and Family Therapy (LMFT) Coordinator to ensure that the School Counseling/Marriage and Family Therapy (MFT) students’ coursework is in alignment with California’s Board of Behavioral Sciences (BBS).
