Subj: Department Conditional Admissions Notice

Dear ,

Thank you for submitting the department application for the Educational Leadership Program at California State East Bay for Fall Entry 2015. **We are pleased to inform you that you have been conditionally admitted to the department.**

With a status of **conditional admissions**, you join a select group of candidates who have passed the initial screening process. In order to be considered for **full admissions**, please do the following:

- Submit any missing department or university application items, and
- Complete Student Intent to Register, once available (See instructions below)

The university’s admissions notification is a separate process that takes place after you have met all the university admissions requirements. In most cases, by meeting all the department requirements you have also met the requirements for the university. You will receive a separate official letter of admissions from the CSU East Bay Graduate Admissions Office to confirm your university admissions status. You can check your status of the university admissions by viewing on MyCSUEB (www.my.csueastbay.edu).

Please know that you must be fully admitted to both the department and university in order to register and begin the program.

This acceptance is limited to the Educational Leadership Program that begins this Fall Quarter. If you choose not to enter, you must reapply and go through the application process again.

**Student Intent to Register (SIR):** After you have received your university admissions notice, you should see in your MyCSUEB a “Student Intent to Register” link. Once the SIR appears, you will need to click on it to confirm your intention to register for classes, thus confirming your university admissions. From the point you click the button, you should be able to register for your program classes within 48 business hours. Since you are entering a cohort, there will be a spot saved for you in all your classes. For more about the Student Intent to Register process, please read more online.

**Cohort Placement:** You will receive another email regarding your cohort placement, including information about classes and advising. Please wait patiently to receive further details in the coming weeks through your Horizon e-mail.

Any questions related to your admissions status can be directed to the Credential Student Service Center at (510) 885-2272.

Again, congratulations on your acceptance. We look forward to working with you in this exciting and rewarding program.

Sincerely,

Dr. Peg Winkleman

Send a full set of all official transcripts from all schools attended directly to the Graduate Admissions Office at 25800 Carlos Bee Blvd., Hayward, CA 94542. For Foreign Transcripts

Applicants who took any foreign course work, but not earned an degree, may be subject to a foreign transcript evaluation.

If you are unsure this applies to you, contact CSSC.

Subj: Applying for your Credential

Congratulations!

Educational Leadership (Tier 1) Candidates:

As you complete your coursework for your credential, you will also need to submit your credential application for the Certificate of Eligibility (CE) or Preliminary Administrative Services Credential (PASC). The Credential Student Service Center will start accepting applications for Spring Quarter 2016 completion on Wednesday, June 01, 2016, provided you are certain all of your requirements will be completed as of Spring Quarter 2016.

The official issuance date of your credential will be June 11, 2016.

Requirements for the Five-Year Preliminary Administrative Services Credential (PASC) or Certificate of Eligibility (CE)

Candidates must satisfy all the following requirements:

1. Possess a valid prerequisite credential

For the Administrative Services Credential, effective July 1, 2013, a prerequisite credential is defined as:

- A valid California clear or life teaching credential requiring a bachelor’s degree and a program of professional preparation, including student teaching; or
- A valid California clear or life Designated Subjects Teaching Credential, provided the holder also possesses a bachelor’s or higher degree from a regionally-accredited college or university or
- A valid clear or life California Pupil Personnel Services Credential, Teacher Librarian Services Credential, Speech-Language Pathology Services Credential, Clinical or Rehabilitative Services Credential, or a School Nurse Services Credential, requiring a bachelor’s degree and a program of professional preparation, including field practice or the equivalent. Holders of any of the other Health Services Credentials, such as the school physician, dentist, dental hygienist, optometrist, clinical psychologist, and psychiatric social worker, do not meet this requirement.

2. Completion of an approved Administrative Services Credential Program.

3. Satisfy the Basic Skills requirement (known as the CBEST).

4. Verify five years of full-time experience on form CL-41 EXP.

Full-time service means service for a minimum of four hours per day for at least three-fourths of the total days in the school year. Substitute or part-time service does not apply.

5. Verify employment in an administrative position on form CL-777.

When you applied to the program you should have submitted verification of your clear teaching or services credential and a copy of your Basic Skills (CBEST) requirement, you will not need to re-submit these items unless they are missing and we will notify you as we’re processing your application. We do ask that you submit an updated verification of your five years teaching or services experience on form CL-41 EXP.

If you have completed requirements 1-5 above you can apply for the Preliminary Administrative Services Credential. The Preliminary Administrative Services Credential is valid for five years but is limited by the expiration date of the prerequisite credential. If the prerequisite credential is valid for the full five year period from the issuance date of the preliminary administrative credential, the administrative credential will be valid for the full five year period upon issuance. By the end of the five-year preliminary period, the holder must meet the requirements for the clear credential.

If you do not have an offer of employment in an administrative position you may apply for a Certificate of Eligibility, which verifies completion of all requirements for the preliminary credential and authorizes the holder to seek employment as an administrator. The Certificate of Eligibility does not have an expiration date. Once securing an offer of employment, the holder of a Certificate of Eligibility may apply for the preliminary credential by submitting an application (form 41-4), a Verification of Employment Form (CL-777), and current processing fee directly to the Commission on Teacher Credentialing.
Enclosed please find the link to the application for either the CE or PASC. Both the PASC and the CE require five years teaching experience.

Please have the designated person in your HR department at your school district complete form CL-41 EXP (verification of experience form) to verify the five years teaching and/or services experience requirement. See enclosed link. http://www.ctc.ca.gov/credentials/leaflets/41-EXP.pdf

If you HAVE been offered an administrative position, please have the designated person in HR dept. complete form CL-777 (verification of employment as an administrator) http://www.ctc.ca.gov/credentials/leaflets/cl777.pdf. This is only required if you are applying for the PASC credential.

Applications will be processed as soon as we can verify that all requirements are complete and final grades have posted. Final grades for Spring Quarter 2016 are expected to be posted on June 20, 2016. This is the date the Credential Student Service Center anticipates processing credential applications. The Credential Student Service Center will be processing applications on a rolling basis daily. We ask for your patience during this peak period.

Future completion dates:
