Dear

Congratulations and thank you for submitting the department application for the Educational Leadership Department at California State University, East Bay for Fall Entry 2015. We are pleased to inform you that you have been admitted to the Clear Administrative Services Induction program.

You will receive a separate official letter of admissions from the CSU East Bay Graduate Admissions Office to confirm your university admissions status. Please know that you must be fully admitted to both the department and university in order to register and begin the program this fall.

Tentative dates, time and location

Please hold the following dates for classes for the core curriculum class you must take each quarter. They will be held from 9:00am – 1:00pm on the following Saturday’s on the Hayward campus. The second class you will take each quarter is an Assessment, Mentoring and Support Practicum class. You will be assigned a coach at the first class meeting. Below is the schedule for the Saturday sessions for 2015-2016:

| September 26 | January 30      | April 23       |
| October 10   | February 20     | May 21         |
| November 7   | March 19        | June 4         |
| December 5   | April 23        |                |

You can check your status of the university admissions by viewing your MyCSUEB account. Please do not call the Graduate Admissions Office to check your admissions status. Since the university is dealing with a much higher volume of processing than our department, it usually takes a few weeks to get your notice from the university.

Student Intent to Register

After you have received your university admissions notice, you should see in your MyCSUEB a “Student Intent to Register” link. Once the SIR appears, you will need to click on it to confirm your intention to register for classes, thus confirming your university admissions. From the point you click the button, you should be able to register for your program classes within 48 business hours. Since you are entering a cohort, there will be a spot saved for you in all your classes. For more about the Student Intent to Register process, please read more online.

You will receive a separate email in August regarding course registration for fall. You will not be able to register until you have been fully admitted to the University.

Any questions related to your admissions status can be directed to the Credential Student Service Center at credentials@csueastbay.edu.

Again, congratulations on your acceptance. We look forward to working with you in this exciting and rewarding program.

Sincerely,

Dr. Peg Winkelman
