APPENDIX E: Intern Alternate Grade Experience

What is an Alternative Grade Level Experience?
Grade levels are separated in self-contained classrooms as follows: K-2, 3-5, and 6-8. You need experience with at least two levels in a self-contained classroom. For example, if you teach 6th graders, then your grade level would be either at the K-2 or 3-5 level. Also see Diversity and EL below.

The intern and the credential coordinator discuss and agree on the alternate grade level site; the intern may then make her/his own arrangements. The university supervisor is informed of the placement. The credential coordinator will provide you with the forms that will be completed to meet this requirement.

Diversity and EL
The alternate grade level should also meet the diversity and EL requirements if these are not already met at your regular teaching site.

Part-Time Intern
See Diversity and EL above. Interns with greater than 60% contracts will, in addition to the teaching assignment covered by the part-time contract, have twenty-five (25) contiguous hours actively assisting and teaching at the alternate grade level. "Contiguous hours" is defined as teaching the same class on a regular basis. "Teaching" is defined as the planning and delivery of the instructional content determined by the host teacher. Interns complete an Active Observation sheet for each alternate grade level class.

University supervisors may observe the candidate teaching at the alternate site. The intern and the credential coordinator discuss and agree on the alternate grade level site; the Intern may then make her/his own arrangements.

Full-Time Intern
See Diversity and EL above. Interns with full-time contracts will, in addition to the teaching assignment covered by the full-time contract, have twenty-five (25) contiguous hours actively observing and assisting at the alternate grade level. "Contiguous hours" is defined as teaching the same class on a regular basis. Interns complete an Active Observation sheet for each alternate grade level class.

University supervisors may observe the candidate teaching at the alternate site, and will conduct post-observation interviews with the candidate. After the Intern and the Team Leader discuss and agree on the alternate grade level site, the Intern may then make her/his own arrangements.

Protocol for Intern Arrangements
Above all, one must conduct all negotiations in a professional manner.

- Approach the alternative site principal and teacher and set a tentative schedule.
- Present to and discuss this schedule with your site administrator.

Once the schedule is agreeable to all parties,

- Provide both the Team Leader and University Supervisor with the schedule.
- Arrange for observation by the University Supervisor.

Standard 13/TPE 7 -2042 Program Requirement

In the 2042 program, Standard 13/TPE 7 (as noted in the Program Handbook) requires that you teach students who are classified as English Learners (ELs). It is important for you to know the ELs you are working with in this assignment, so that you can focus planning and instruction on their needs. In order to do this, please provide the following information for each of your ELs: the name (first name and last initial only), the first language and the CELDT level. In order to meet the Standard 13/TPE requirement, at least three of your students must be ELs, with at least two different CELDT levels among them. If you do not have three EL students, then you need to make arrangements to work with a group of at least 3. This could be done with a resource teacher, ESL teacher, or with a group of students after school. You should meet this requirement in your first placement.
