Hello Seniors! Congratulations on taking part in the Early Assessment Program (EAP) during the spring of your Junior year.

It is important to find out your EAP results as soon as they are available, as it will help guide you during your senior year. If necessary, you may need to adjust your senior year coursework and/or re-test using the Entry Level Math (ELM) and/or English Placement Test (EPT).

EARLY START PROGRAM: Beginning summer 2012, all students entering the California State University without demonstrating college-readiness in Mathematics and English will be required to enroll in a remedial summer mathematics and/or English program at their local CSU.

HOW TO ACCESS YOUR EAP RESULTS
Your EAP results (1) were mailed to your home on the back of your STAR report the August before Senior year. As well, (2) your high school has a copy of your EAP results. You can request a copy from your school counselor. (3) Visit www.csumentor.edu as directed on page 2 of this handout.

Copied below is a copy of what the STAR report looks like- the EAP results are included on the back of the STAR report.
This reference sheet was created to help you look up your EAP results online.

1) Create a CSU Mentor Account www.csumentor.edu

2) Once you have created a CSU Mentor account, you are logged in.

3) Click the bullet ‘FIND OUT YOUR EAP RESULTS’ found at the bottom left hand corner of the CSU Mentor home page.

4) Because you are already logged into CSU Mentor, your information will start self-populating (See below)
5) Continue to fill out your personal information like Home Address (where you lived spring of the 11th grade); school information (again, refers to the school you attended as in the 11th grade).

6) Once you have successfully completed all of your personal information, you will be provided with your EAP results in Mathematics and/or English (dependent upon the participation of student in one or both subject matters during STAR testing and 45 minute essay).

If you have any concerns or questions with accessing your EAP results, you can contact Claudia Quezada via phone at (510) 885-3996; or email claudia.quezada@csueastbay.edu
I HAVE CHECKED MY EAP RESULTS, NOW WHAT?

If you have checked your EAP results and you have been designated “Ready for College” in English and Mathematics – CONGRATULATIONS! No further testing is necessary and you may register for college level English and Mathematics courses upon your admission to the CSU.

However, if you receive a “Not Ready” in either subject – you can demonstrate readiness via a standardized test, such as the ACT, SAT, or AP exam. SEE pages 5-6 for more information and cut scores.

If you cannot demonstrate readiness in English and/or mathematics via a standardized test, and you wish to attend at CSU, you will need to retest in the Entry Level Math (ELM) and/or English Placement Test (EPT). Be sure to visit the CSU East Bay Testing Office website and select a test date that works for your. Registration and payment instructions are included on this page:

http://testing.csueastbay.edu/eptelm/eptelmdates.php

EPT/ELM

Exam Dates

Exams are given on the dates provided in the table below.

REFUND: There will be no refund of test fees.

RESCHEDULE: No test reschedules

Following are the known exam dates for both the EPT and ELM at CSU East Bay. As more dates become available, they will be posted on this page.

To register for EPT/ELM at CSU East Bay please click here.

NOTE:
If you participated in the Early Assessment Program (EAP) as an eleventh grader and placed in the "Ready for College" category in either English or math, you are exempt from the EPT (English) or the ELM (math). You can visit the following link to confirm your EAP status: www.csusuccess.org/eap_results.

ENGLISH

If you haven’t met the ENGLISH PLACEMENT TEST (EPT) requirements, you must take the exam before you can register for classes at the CSU. The exam is your last chance to avoid having to enroll in remedial English courses. Prepare seriously by reading daily, practicing your writing skills, and accessing the online practice tests.

WHAT CAN I DO TO PREPARE TO RETEST?

http://www.csuenglishsuccess.org/exam_prep_esw

Two Online EPT Practice Tests are available on this website to help you prepare for the multiple choice portion of the EPT.

- Each practice test consists of two sections:
  - Reading Skills (45 questions)
  - Composing Skills (45 questions)
- Each section of the test must be taken separately.
- A detailed score report is provided upon completion of each test.
- All tests are free

Ways to Meet the English Placement Test (EPT) Requirement

- Early Assessment Program (EAP) – A status of “Ready for CSU or participating CCC college-level English courses” indicates that you have met the EPT requirement.
- National Standardized Tests – A qualifying score on one of the following college placement tests fulfills the EPT requirement:

<table>
<thead>
<tr>
<th>Test</th>
<th>Required score for EPT requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>SAT</td>
<td>500 or more on the Critical Reading section</td>
</tr>
<tr>
<td>ACT</td>
<td>22 or more on the English Test</td>
</tr>
<tr>
<td>AP</td>
<td>3 or more on either the Language &amp; Composition or Literature &amp; Composition exam</td>
</tr>
</tbody>
</table>

- Community College Course – A grade of C or better in a qualifying English transfer course at a community college meets the EPT requirement. See your academic advisor for details.

- English Placement Test (EPT) – Unless you meet the requirement in one of the ways described above, you must take the EPT before enrolling at the CSU.
MATHEMATICS

If you haven’t met the Entry Level Math (ELM) requirement, you must take the exam before you can register for classes. The exam is your last chance to avoid having to enroll in remedial math courses. Prepare seriously.

**Online EPT Practice Tests (free)**
Two Online EPT Practice Tests are available on this website to help you prepare for the multiple choice portion of the EPT.

http://www.csumathssuccess.org/exam_prep

- Online Personalized ELM Exam Tutorial ($45) fee waivers available for those that qualify
- 10 Online ELM Practice Problems (free)
- 50 Online ELM Practice Problems (free)
- Printed Sample ELM Problems (free)

**Ways to Meet the Entry Level Math (ELM) Requirement**

- **Early Assessment Program (EAP)** – Receiving a status of “Ready for CSU or participating CCC college-level mathematics courses”
- National Standardized Tests

<table>
<thead>
<tr>
<th>Test</th>
<th>Required score for ELM requirement</th>
</tr>
</thead>
<tbody>
<tr>
<td>SAT</td>
<td>550 or more on the mathematics portion of the SAT Reasoning Test</td>
</tr>
<tr>
<td></td>
<td>550 or more on a mathematics subject test (level 1 or level 2)</td>
</tr>
<tr>
<td>ACT</td>
<td>23 or more on the mathematics test</td>
</tr>
<tr>
<td>College Board AP</td>
<td>3 or more on Advanced Placement Calculus or Statistics</td>
</tr>
</tbody>
</table>

- Community College Course – A grade of C or better in a qualifying general education transfer math course (quantitative reasoning, B-4) at a community college satisfies the ELM requirement. See your academic advisor for more information.

- **ELM Examination** - Unless students meet the requirement one of the ways above, they must take the ELM examination before their first term at the CSU. If they pass the exam, they meet the ELM requirement. If they do not pass, they must take non-credit remedial math classes.

**e-Learning Course for Conditionally Ready Students:**
This course has been set up exclusively for those students who score "Ready for CSU College Level Math Courses - Conditional" on the EAP Math Test and who are not taking math in their senior year. Registration for the e-learning course is open from October through January. Fee waivers available for those that qualify http://www.csumathssuccess.org/elearning/

If you have any concerns or questions regarding the EAP, you can contact Claudia Quezada via phone or email at (510) 885-3996; claudia.quezada@csueastbay.edu Thank you for your continued support of the EAP!
