CALIFORNIA STATE UNIVERSITY, EAST BAY

FACULTY EMPLOYMENT OPPORTUNITY

EXERCISE PHYSIOLOGY, NUTRITION AND WELLNESS

1.0 LECTURER

*OAA Position No. 13-14 KIN-EXERCISEPHYSIOLOGY-FTLECT

THE UNIVERSITY:  California State University, East Bay is known for award-winning programs, expert instruction, diverse student body and a choice of more than 100 career-focused fields of study. There are two scenic campuses—one in the Hayward Hills overlooking San Francisco Bay and the other in the Concord foothills of Mt. Diablo—plus a professional center in dynamic downtown Oakland. The two campuses’ proximity to the major Bay Area cities provides unique cultural opportunities including museums, art galleries, aquariums, planetariums, plays, musicals, sports events, and concerts. Their nearness to the Pacific Ocean and Sierra Nevada Mountains offers recreational diversion as well as excellent laboratories for educational studies. The ten major buildings of the Hayward Hills campus, on 342 acres, contain over 150 classrooms and teaching laboratories, over 177 specialized instructional rooms, numerous student oriented computer labs and a library, which contains a collection of over one million items accessible through HAYSTAC, its on-line catalog. CSUEB’s Concord Campus provides full instructional support for over 1,600 upper division and graduate students. Its five buildings on 395 acres feature lecture halls, seminar rooms, computer labs, science labs, an art studio, theatre and library. The University has an enrollment of approximately 13,000 students with 600 faculty. CSUEB is organized into four colleges: Letters, Arts, and Social Sciences; Business and Economics; Education and Allied Studies; and Science. The University offers bachelor's degrees in 45 fields, minors in 66 fields, and master's degrees in 31 (in addition to Special Majors). Other programs lead to teaching, specialist, pupil personnel services, and administrative services credentials. To learn more about CSU, East Bay visit http://www.csueastbay.edu.

THE DEPARTMENT:  The department has over 600 majors and offers both bachelor’s and master’s degrees. The expertise of the faculty spans from humanities, to psychological/behavioral sciences, to life sciences. The department is currently revising the undergraduate options to include: Therapeutic Studies (for the allied health fields); Exercise, Nutrition, & Wellness, Physical Education Teaching, and two new options: Social Justice in Sport; and Physical Activity Studies. The program offers the opportunity to teach and conduct research with a diverse student body. The department has for years taken a cross-disciplinary approach to the field of kinesiology and requires a broad core for all students. http://www20.csueastbay.edu/ceas/departments/kin/index.html

DUTIES OF THE POSITION:  Teaching assignments for this position fall primarily in Exercise Physiology, (including prescription and clinical), nutrition, wellness and ability to teach introduction to kinesiology. Please specify educational and teaching experience in each of these areas or other areas of specialty. In addition to teaching, all faculty are expected to engage in scholarship, advising students, assisting the department with administrative and/or committee work, and assume campus-wide committee responsibilities. Please note that teaching assignments at California State University, East Bay include courses at the Hayward, Concord, and Online campuses. Describe your online teaching experience.

RANK AND SALARY:  Lecturer. Salary and grade dependent upon educational preparation and experience. Subject to budgetary authorization.

DATE OF APPOINTMENT:  Fall Quarter 2013
QUALIFICATIONS: Candidate must expect to have an earned doctorate in kinesiology or closely related field no later than the effective date of the appointment with specialized preparation in one or more of the following areas in order of need: exercise physiology, nutrition, and wellness. Candidates should also appreciate a disciplinary approach to kinesiology and be able to teach introductory classes in kinesiology. Applicants with successful teaching experience at the university level and demonstrated ability to teach, advise, and mentor students from diverse educational and cultural backgrounds are preferred. Additionally, applicants must demonstrate a record of scholarly productivity. This University is fully committed to serving students with disabilities in accordance with applicable state and federal laws. For more information about the University’s program supporting the rights of our students with disabilities see: http://www20.csueastbay.edu/af/departments/as/.

APPLICATION DEADLINE First deadline: Oct. 15, 2012. All positions will be considered open until filled. Please submit a letter of application (materials may be electronic), which addresses the qualifications noted in the position announcement; a complete and current vita; graduate transcripts; copies of major publications; and the names and contact information of three professional references. In your letter please list the specific classes in our curriculum that you can teach. In your letter please list the specific classes in our curriculum that you can teach. When called upon you will need to provide letters of reference in timely manner. You may submit documents electronically at address listed below. In your letter please list the specific classes in our curriculum that you are qualified to teach. When called upon you will need to provide letters of reference and teaching evaluations in a timely fashion.
