OPTIONAL PRACTICAL TRAINING (OPT) provides the possibility for you to work in the United States, for 12 months, in your field of study (as indicated on your I-20). F-1 students in a bachelor’s, master’s, or doctoral degree program are eligible to apply for OPT in the following situations:

Pre Completion OPT:
1. part-time while school is in session (not to exceed 20 hours a week);
2. full-time during the annual vacation term if you intend to register for the next semester;

Post Completion OPT:
3. full-time after completion of all course requirements for the degree (excluding thesis or the equivalent);
4. full-time after completion of all degree requirements (including coursework and thesis or the equivalent)

A student is eligible for a maximum of 12 months full-time Post Completion OPT per degree level. A student who completes an approved period of OPT and then returns to school to complete a degree program at a higher level would be eligible for another period of OPT.

Your application for OPT must first be recommended by an advisor in the Center for International Education, and then mailed to the U.S. Citizenship and Immigration Services (USCIS) with jurisdiction over your place of residence.

You may submit your OPT application as early as 90 days prior to your anticipated degree completion and up to 60 days after the program end-date, provided that it is filed within 30 days of the date the DSO enters the OPT recommendation into SEVIS system.

ELIGIBILITY
You must meet the following criteria in order to be eligible to apply for OPT:

- Be in valid F-1 status
- Enrolled full-time. Minimum 12 units for undergraduate or 8 units for graduate students. You are also eligible to apply for OPT if you have approved Reduced Course Load (RCL).
- Fulfilled one year full-time requirement. You must have been enrolled full-time for at least one full academic year prior to submitting an OPT application.
- Be in good academic standing. Defined as a minimum G.P.A. of 2.0 (Undergraduate students) or 3.0 (Graduate students).
- You are physically maintaining F1 status and attending classes in the U.S.
- You have not completed more than 364 days of full-time Curricular Practical Training (CPT).
- You have not already been approved for 12 months of Post-Completion OPT at the current degree level.
- Job offer is not required.

OPT WORKSHOPS: Please attend a workshop. Dates and times listed here:
http://www.csueastbay.edu/cie/f-1-students/employment/opt-workshops.html
APPLICATION PROCEDURE
In order to apply for OPT; you will need to follow the procedures below:

1. Complete the OPT Request Form. You should complete Student Information Section and have your academic advisor(s) complete the attached Academic Information Section
   - **Graduate students**: visit an advisor in your academic department and your project/thesis advisor
   - **Undergraduate students**: two academic advisors complete this recommendation (1) your major department advisor and (2) a General education advisor (Sam Tran in AACE. Please call 510-885-3621 to schedule an appointment)

2. Complete Form I-765. **Guidelines are on pages 6-8. Note:** the US Postal Service does not forward mail from USCIS. We highly recommend you sign up for Informed Delivery by USPS (https://informeddelivery.usps.com/) to track the delivery of your card.

3. Have two immigration photographs taken (see enclosed photograph specifications). Photos must be taken within the previous 30 days.

4. Schedule an appointment to meet with an international student advisor at the Center for International Education (call 510-885-2880) to submit completed forms listed below.

5. Bring the following documents to your CIE appointment:
   - **OPT Request Form (Pages 8-9)**- This must be completed and signed before your appointment.
   - **Completed USCIS Form I-765** (form available at www.uscis.gov) we recommend you type this form and hand sign it. Form instructions are included in this handout (Pages 6-8)
   - **USCIS Form G-1145** (eNotification of Application Acceptance)-complete this form if you would like a text and/or email once USCIS has received your application
   - **Passport**- need your most recent passport as well as your visa and entry stamp
   - **I-20**- your most recent I-20 and any I-20’s showing CPT or previous OPT authorizations
   - **I-94**- you can print out your most recent I-94 at www.cbp.gov/I94
   - **Two passport style photographs.**
   - **Payment**- Check or Money Order for $410.00 payable to U.S. Department of Homeland Security OR to pay by credit card you can complete USCIS Form G-1450.
   - **Any Employment Authorization Documents (EAD)** you have received previously

6. Once it has been determined that your application is complete and you are eligible for the OPT benefit, the international student advisor will issue you a new I-20 with the OPT recommendation, and submit your application to USCIS via UPS.

**THEN WHAT?**
Once USCIS receives the application, a receipt will be processed and sent to the address on the I-765 (this normally takes 3-5 weeks). USCIS generally processes applications within 90 days but based on the time of year and how busy they are, the “standard” length of time required for processing is subject to change. If you have not received your Employment Authorization Document (EAD) a full 90 days after the Notice Date on your receipt from USCIS, and your requested OPT start date has passed, you can contact USCIS for further information on your application. Also, if you do not receive a receipt notice from USCIS within 5 weeks after you submitted your application, check with CIE.
FREQUENTLY ASKED QUESTIONS ABOUT OPTIONAL PRACTICAL TRAINING

• How do I choose my post-completion OPT dates?
The start date of your OPT period can be any date in the 60 day period following your completion of studies date. The latest OPT end date can be 12 months after the requested start date.

• How can I check the status of my pending application?
Visit the following USCIS website: https://egov.uscis.gov/casestatus/landing.do

• I did a Co-op last term and was authorized for Curricular Practical Training (CPT) for 3 months. Does this mean that I only have 9 months of OPT available to me?
No. Curricular Practical Training is a separate category of employment authorization, and does not count towards your 12 months of OPT. HOWEVER, if you do 12 months of Full-time CPT, you lose your eligibility for Optional Practical Training. Anything less than 12 months full-time CPT will NOT deduct from your OPT.

• If I apply for OPT early (during the 90 days before completing my program), does that mean I will be able to start working before I complete my degree program?
The authorized dates of employment will be listed on your Employment Authorization Document (EAD). You cannot start working before the start date on your EAD. The start date is either the start date you requested or the date USCIS approves your application, whichever is LATER.

• I applied for OPT, but it hasn’t been approved yet. I’ve finished all my degree requirements-- can I start working? Can I do a Co-op?
No. Once you have completed your degree requirements, you are no longer eligible for ANY type of employment authorization, except for optional practical training. Therefore, you are not eligible for curricular practical training or on-campus employment, and your company cannot legally have you begin employment until the start date on your Employment Authorization Document.

• I am finishing my courses this semester, but didn’t apply for graduation on time. Does this mean I should apply for OPT during the NEXT semester?
No. USCIS is not concerned about the date that your degree is officially posted (i.e. the semester that you file for graduation). Your status as an F-1 student is based on the date that you actually complete the requirements for your degree. This date is your “completion of studies date.” Therefore, if you are completing your courses and all other degree requirements this semester, your application for OPT must be received no later than 60 days after the end of this semester.
• I’d like to take a trip home before beginning my OPT, is that possible?
   **If you leave the U.S. after you complete your program and you have not applied for Optional Practical Training, you are no longer entitled to OPT.** If you have completed your degree program, and would like to travel and re-enter the U.S., please contact an international student advisor to discuss your plans. CIE recommends that you do not travel and re-enter the US unless you have both OPT approval and an offer of employment. Once you have received your EAD, you will need the following documents to return to the U.S.:
   - Valid passport
   - Valid F-1 visa stamp
   - Original I-20 with travel endorsement not older than one month.
   - Employment authorization document (EAD or OPT card)
   - Verification of employment (job offer letter) *Please note: the F-1 regulations allow for re-entry during OPT in order ‘to resume employment’, so you should be prepared to document your employment, or at least your efforts to gain employment.*

   *Note: If you are absent from the U.S. for 5 consecutive months or longer, your current immigration status is considered ‘abandoned’. In other words, you may not be allowed re-entry to the U.S., even if you present a valid OPT authorization, visa, and I-20.*

• If I complete another degree program after OPT, do I get another 12 months of OPT?
Yes, you may be authorized 12 months of optional practical training, and become eligible for another 12 months of optional practical training when you change to a higher educational level. (i.e. completing a master’s degree after a bachelor’s)

• Once I receive my EAD card, do I have to start working right away?
No, however, you cannot be unemployed for more than 90 days during the approved 12 month OPT period.

• I received my EAD and the card mentions that it is “not valid for re-entry to the U.S.” What does this mean?
It means that you are not able to re-enter the U.S. JUST by showing the EAD. You also need to show an endorsed I-20 with OPT approval, a valid passport, and a valid F-1 visa stamp.

• Can I change jobs during OPT?
Yes. Provided you report any change of name and address of employer or interruption of such employment to CIE within 10 days of the change.

• Can I begin a new program of studies and use my OPT at the same time?
No, F-1 regulations state that “authorization to engage in practical training employment is automatically terminated when the student transfer to another school or begins study at another educational level.”

I-765 Guidelines for OPT Applications

These directions are meant to help you with best practices in completing the Form I-765 for an OPT or STEM OPT Extension application. Please note, this is not legal advice!!

General Guidelines

You can find the Form I-765 and official instructions to complete the form here: https://www.uscis.gov/i-765

We STRONGLY recommend you type as much as possible (besides your signature) as the data entry for this form is done via machine reading. Your signature and any answers you were not able to type, should be completed in BLACK INK.

If you need more space for a response, use Part 6 Additional Information. Make copies of Part 6 or attach separate sheets of paper if needed. Include your name, Alien Registration Number (A-Number) if applicable, and the corresponding Page, Part and Item Numbers for your response at the top of each sheet. Sign and date each sheet.

Guidance here is only given for those items that can be somewhat confusing in nature. Please fill all fields, regardless of whether suggestions are given here!

Part 1

Item 1. OPT and OPT STEM: Select 1.a.- Initial permission to accept employment

Part 2

• Item 2: Share any other way your name is given on your legal documents. This includes “FNU,” multiple last names you may sometimes use, or previous names you used if you changed your name for any reasons, such as marriage.

• Item 5: This is the address where USCIS will mail your documents related to this application only. If using anyone else’s address, BE SURE to put their name in the “In Care Of Name” field, to ensure delivery. Do not use CSUEB address

• Item 6: Check YES if you currently in the same address you just gave as the place to send your documents, in item 5. If you check yes, you do NOT have to complete Item 7. If you check NO, please complete item 7.

• Item 7: Please give the address where you currently live. USCIS will NOT mail documents here, and it’s okay if this will change over the course of your application processing. Just use the address where you live today.

• Item 8: STEM OPT Extension only! You will only have an A-Number if you are applying for the STEM OPT Extension, and it will be on your EAD card (called a “USCIS number”). Those applying for OPT can leave this field blank.

• Item 9: USCIS Online Account Number should be filled with “none”

• Items 13 – 17:
  o If you have an SSN, please give it in Item 13b. You can then check NO for Item 14, and skip down to item 18.
  o If you do NOT have an SSN, you can apply for it through this application, and your SSN will be issued to you when your OPT application is approved. You would answer NO to item 13.a., YES to Item 14, and give the required information in items 15-17

• Item 21a: Your I-94 number is found on your most recent I-94 entry record. You can access your most recent I-94 by using this link and going to “Get Most Recent I-94”: https://i94.cbp.dhs.gov/I94/#/home Please be sure that you use the I-94 from your most recent entry to the US!

• Item 21.c: Write “NA” if you have a passport. For almost everyone, this will be “NA.”

• Item 24: “F-1 student” unless you changed your status from within the US, and have not left the US since then.

• Item 25: “F-1 student.”

• Item 26: You can find your SEVIS ID number at the top left of your I-20. It starts with N00.
- **Item 27:** This item is asking you to give the regulatory citation of the kind of work permission you are applying for.
  - OPT: (c)(3)(B)
  - STEM OPT Extension: (c)(3)(C)
- **Item 28:** STEM OPT Only! Applicants for Post Completion OPT can leave this blank.
- **Item 28.c:** Be sure that this number is 5-7 digits long. Employers and students often confuse this request for an EIN tax ID number for the company, or the individual student’s E-Verify ID. You will need to ask your company for this number, as it is not public knowledge.
- **Items 29 – 31:** Skip these, as they are for other immigration categories only.

**Part 3**

Sign in Item 7.a. in **black ink** – this should be an original signature, and cannot be typed or stamped.

**Parts 4-5**

Draw a diagonal line across each page you are not completing and write “NA” next to your line. See example
Part 6

Complete this section only if:

- You have been approved for CPT in the past
- You have been approved for OPT in the past
- You have used a different SEVIS ID in F-1 status in the US (for example, you attended school for a while, left the US to take a break from school, and returned with a new I-20, you would have a SEVIS ID from your first period of attendance that is different than your current SEVIS ID). Your SEVIS ID is on the top right corner of your I-20, and starts with N00..

Item 1. If you need to complete this section because one or more of the above statements apply to you, please complete Part 6, Item 1.

Item 2. You will need to complete Part 6, Item 2 (A-Number), if you are applying for STEM OPT; your “A-Number” will be on your EAD card (called a “USCIS number”). Those applying for OPT can leave Part 6, Item 2 blank.

Items 3-7. For each of the items listed above (i.e. CPT, OPT, different SEVIS ID numbers), complete one box in Part 6, starting with 3.a. We suggest using the following to complete the Page number, Part Number, and Item number, as this information is required specific to Category (c)(3)(B) (per the I-765 instructions, page 4):

For 3a-c, 4a-c, and/or 5a-c, etc., list the following:

Additionally, due to the fluid nature of governmental interpretation, the USCIS may change its interpretation of these immigration laws/regulations and eligibility requirements for benefits, at any time. We will do our best to provide you with the most current guidance.
