Semester Conversion is coming!

This academic year will be the last one on the quarter system. Effective Fall 2018 CSUEB will be on a semester calendar.

- Winter and Spring quarters 2018 will be the last time CSUEB has separate Winter and Spring terms.
- The summer session for 2018 will be reduced in length to enable the earlier Fall semester start date.
- Effective Fall 2018 classes will be starting in August and ending in May, similar to most other U.S. universities.
- Pay special attention when registering for courses for 2017-18. Work with your advisor on your Individualized Advising Plans (IAP) that will contain roadmaps for students who will experience the quarter-to-semester transition.
