What is NSSLHA?

The National Student Speech Language Hearing Association (NSSLHA) is a pre-professional organization for students interested in furthering their study of communication sciences and disorders. NSSLHA membership is available to undergraduate and graduate students enrolled full or part-time in a communication sciences program or related majors.

Cal State University East Bay’s local NSSLHA chapter strives to provide unique opportunities for students to supplement their education, through service events, conferences, panels and social gatherings.
