Department of Criminal Justice Administration

Bachelor of Science

Overview

The Department of Criminal Justice Administration, established in 1976, offers an undergraduate program leading to a degree of Bachelor of Science, as well as a minor, in Criminal Justice Administration. The undergraduate program is designed for the academic development of knowledge and understanding of practices, theories, and concepts of justice administration, as well as to prepare students for professional careers in justice administration, law enforcement, corrections, and graduate studies.

Options

Students may select one of the two specialized options:

A. The **Justice and Enforcement option** emphasizes work in government agencies and private organizations, and positions in investigation, crime prevention and control. It is designed for students interested in careers with federal, state, and local law enforcement agencies, and law enforcement within the private sector.

B. The **Community Alternatives and Corrections option** is designed for students interested in careers in probation, parole, correctional institutions, and affiliated forms of work. Senior majors may qualify for internship placement in criminal justice agencies throughout the Bay Area.
