A musical with no actual plot or characters has a lot to offer, but Artist Fresquez is passionate about his adaptation of "Starting Here, Starting Now," as he tours from San Diego to Sacramento to perform a musical revue and incorporate his talents in acting and singing.

By Amy Doan

The show was really good because they created a musical revue, and they made it a board game rather than a regular musical with no actual plot or characters has a lot to offer, but Artist Fresquez is passionate about his adaptation of "Starting Here, Starting Now," as he tours from San Diego to Sacramento to perform a musical revue and incorporate his talents in acting and singing.
