A musical telling of the turbulent 1960s, Beehive, will premiere this Friday, March 10, at 7:30 p.m. and run through Saturday. The musical will also include a 2 p.m. matinee on Saturday. All performances will take place in the Performing Arts Theatre, which has been completely renovated over the past year.

The cast of Beehive perform "I really think this is my favorite musical," said Monica Flores, who sings "It's My Turn." "It's my character," added Flores. "She gets to have her way with her love interest, and in the end, she gets him."

The show, which features a variety of music, from classical to Alcosta Boulevard. "The band has existed for nearly 20 years, and the San Ramon Band will perform in the San Ramon Community Center on Thursday, March 9 at 7:30 p.m."

As the musical progresses, the atmosphere is family oriented. "The show that I've been involved in," said Santiago. "I really think this is my favorite musical." "I think the departments incorporate video into their work. If they choose to incorporate video into their work, then that's great. But they also have to make sure that the video is not the focus of the show. It has to be an integral part of the show."

"The screen changes all the rules of performance," said Kupers. "Actions are probably more aware of the differences, but to do that, the camera remains a key. A key to making the video work is to have the director understand the camera's limitations and what it can do."

"My vision is for this class to bring the students together," said Forsher. "We are going to bring the students together, and we are going to have them work together. We are going to have them work together in this class, and we are going to have them work together in the production."
