**Students and Faculty in Dance Showcase**

By Lynnette Topacio

The Pioneer and faculty, including modern, dance choreographed by students and faculty, and a new student choreography by Cut Chou, will showcase various styles of dance to a sold-out audience on December 6.

**Heavenly Wind Generators at Tahoe**

By Rachdy Myrdal

A small mountain resort town of Heavenly, near South Lake Tahoe, has installed the world’s 100th wind turbine in a project, called Heavenly Mountain Resort, that’s working hard for 100 percent of its energy from renewable sources.

**Skydiving Without Airborne—In Good Weather and Bad!**

By Cristina Aguilar

This past summer, I visited iFly, an indoor skydiving facility, and experienced the thrill of skydiving.

**Skateboarder Beware at CSUEB**

By Rachdy Myrdal

According to the company’s policy, it is not allowed to skateboard in the indoor skydiving facility for safety reasons.

**Don’t leave our students out in the winter Rain, Advertise with the Pioneer! First issue is January 10th!**

By Lyndsey Topacio

L’Amour Shoppe

**MAKE A DIFFERENCE**

Become a nurse.

Samuel Merritt offers an Accelerated BS in Nursing (ABSN) designed for individuals with a Bachelor’s degree in any non-nursing field and can be completed in 12 months. Applications are being accepted for programs beginning in January and June on campus.

**Contact Samuel Merritt College to learn about all our degree programs:**

- Nursing
- Occupational Therapy
- Physical Therapy
- Physician Assistant
- Podiatric Medicine

Information:

Beginning January 7th, 2008, the on-campus shuttle route will be modified to service the Park and Ride Lot at K-Mart Store.

For more information, call us at (510) 885 - 3526

**In a program called “Appetite for Life,” Heavenly will serve lemongrass-free and poultry at events.**

According to environmental activist Will Pierce, director of Commodore Natural Foods at CSUEB, said: “There is no need to jump out of airplanes to get the thrills of skydiving. Here you can have the same experience of skydiving without having to be strapped to an instructor.”
