

# CONCORD CAMPUS

## Psychology, B.A. 2012-2013 Catalog

Web: <http://csueastbay.edu/psychology> Phone: (510) 885-3484 Office: Science Building 229

The B.A. program is appropriate for most psychology students. It provides a basic understanding of human behavior and motivation that is valuable in many careers in business, government, and education. It also provides the background expected for entry into graduate programs in clinical psychology, counseling psychology, school psychology, health psychology, social psychology, or experimental psychology. Please consult an advisor in your major department for clarification and interpretation of your major requirements. The major consists of 72 units; the B.A. degree requires a total of 180 units.

### Core Requirements
