ABOUT THE LVN-BSN PATHWAY
The LVN-BSN pathway is being offered to any applicant with extensive medical knowledge and/or experience in the following field: Licensed Vocational Nurse (LVN).

This pathway is open to those who would like to further their education and obtain the baccalaureate degree in Science of Nursing. Upon completion of the LVN-BSN program, the student is qualified to take the National Council Licensure Examination (NCLEX-RN) and apply for the California Public Health Nursing Certificate. **LVN applicants apply to the Pre-Licensure Program and compete with other applicants.**

ELIGIBILITY
The following steps are required to become eligible for the LVN-BSN pathway. Meeting minimum eligibility requirements does not guarantee admission.

1. Current Licensure as a Vocational Nurse in California. **SUBMIT PROOF OF LICENSE BY NOV. 30**
2. Submit official transcripts to the CSUEB Admissions Office by FEBRUARY 14. The Nursing department does NOT require separate transcripts.
3. Complete all required prerequisites by the end of the Fall term in which you apply. No grades below C are acceptable (a grade of C- is not acceptable). You must have a GPA of at least 3.00 in the following:
   - ALL prerequisite courses combined AND
   - Just the FOUR SCIENCE prerequisites
4. Meet all University Admission requirements by University deadline or continued enrollment in good standing at CSUEB.
5. Submit Official TEAS Score to Nursing Department by FEBRUARY 14.
   - CSUEB Testing Office schedules TEAS exams monthly. If taken at CSUEB, scores are automatically sent to the Nursing Office.
6. Points for CSUEB Native Students,*** Second Language Proficiency and/or Paid Healthcare Work Experience. See website for details. ***Effective for Fall 2013 admission.

APPLICATION DEADLINES
To be considered for admission to the LVN-BSN pathway, students must complete **TWO** online applications:
1. The CSUEB Application for Admission.
2. The LVN-BSN supplemental Nursing application.

**LVN-BSN application DUE NOVEMBER 30 BY NOON**  
~~No late applications accepted~~

CREDIT FOR NURSING COURSES
Students with special studies or experiences may already have achieved the objectives of certain courses and may petition to receive credit after a portfolio and transcript review. Students can petition for prior learning credit, for the following classes only:
- **Nurs 2022 (2)- Level I Nursing Skills**
- **Nurs 2031 (2)- Care of Adults Practicum**
- **Nurs 2042 (1)- Level I Nursing Skills II**

After admission to the LVN-BSN pathway, the applicant must make an appointment with an advisor. Each applicant’s previous education and work experience will be individually assessed to design an optimal learning program.

Credit by examination is also possible for other Nursing coursework based on portfolio and transcript review. Proper steps to take this petition action would be as followed:
- Students interested in the challenge must notify the department no later than 2 weeks prior to the first day of class. To receive credit under this plan, the student must register for the class the first day of class. To receive credit under this plan, the student must register for the class the first day of class. To receive credit under this plan, the student must register for the class the first day of class.

A petition for credit by examination is obtained from the Nursing Office. The examination will be administered within the first two weeks of the quarter.
- If the exam is passed, the grade and Credit By Examination will be indicated on the student’s permanent record.
- If the student fails the examination, the student must complete the course to receive credit.

REQUIREMENTS
The nursing major requires lower division and upper division coursework. Students enter the LVN-BSN pathway in Fall Quarter each year after having completed eight prerequisite courses.

All prerequisites must be complete by the end of the FALL term when a candidate applies, to be eligible for the Nursing program beginning the following FALL academic year.

I. Prerequisites courses – for Admission
- Human Anatomy/Physiology I (BIOL 2010) (5)*
