SELECTION
Applicants earn admission points based on criteria listed below. Applicants with highest point totals are offered admission. Please note several new categories.

Updated Point Totals will be available soon.

REQUIRED
• Prerequisite GPA
• TEAS exam
• Personal Statement

OPTIONAL
• Military
• Cal State East Bay student
• Paid healthcare work experience or community service
• Second language skills (for languages other than English)

**The following conditions apply to the GPA:
1. A GPA of at least 3.00 in both of the following:
   ✓ ALL prerequisite courses combined AND
   ✓ Just the FOUR SCIENCE prerequisites
     o One retake of a science prerequisite for a higher grade is allowed without losing
       application points
     o More than one retake of a science prerequisite for a higher grade will subtract
       points off your nursing application
2. Must have a minimum grade of C or better in all prerequisites. A grade of C- is not
   acceptable.
3. Only one non-science prerequisite course may be taken Credit/No Credit. All science courses
   must be for a letter grade.

The Nursing Department accepts AP exam credit for prerequisites (see website).

*Military Candidates* - Contact our office for information about military consideration.

Updated 6/8/2017
ABOUT THE NURSING PROGRAM

CSUEB offers two Baccalaureate Nursing programs: (1) Pre-Licensure for students new to nursing and (2) RN-BSN for applicants who hold a valid California Registered Nurse license. Registered Nurses interested in RN-BSN should contact the Nursing office for specific information.

PREREQUISITES

Students enter the Pre-Licensure Nursing Program after completing eight prerequisites. Planning should begin as far in advance as possible. Students who complete prerequisites at a college other than Cal State East Bay should refer to www.assist.org or contact Nursing Department for review.

Please note that (*) Anatomy and Physiology must be taken at the same school if courses are combined (e.g., Anat & Phys I and Anat & Phys II); but, may be taken at different schools if separate (e.g., Anatomy is one course, Physiology is another). Applicants are only required to take one chemistry course.

- Human Anatomy/Physiology I with lab*
- Human Anatomy/Physiology II with lab*
- Introduction to Microbiology with lab
- Chemistry with lab
  - Integrated OR Inorganic OR Organic

Written Communication/English Composition (first term course only), GE Area A2
- Public Speech OR Interpersonal, GE Area A1
- Statistics, GE Area B4
- Critical Thinking/Logic, GE Area A3

All prerequisites must be completed one year ahead, 7 year recency requirement for science prerequisites

See Nursing website for Fall/Spring Admission Deadlines

APPLICATIONS

TWO applications are required for admission into Nursing, if a transfer student.

1. Online university application for Cal State East Bay Admission (unless already a student)

2. Online Nursing application DUE 8:59 p.m. Pacific Submit through Nursing Department website only via NursingCAS (fee required)

   ~No late or incomplete applications accepted~

ELIGIBILITY

The number of students interested in entering the Pre-Licensure Nursing Program is greater than space available in clinical courses. This impacted program has additional eligibility and selection criteria beyond what is required for university admission. Minimum eligibility categories listed below (please note that meeting minimum eligibility requirements does NOT guarantee admission).

1. Complete all required prerequisites by deadline.
   No grades below C are acceptable (a grade of C- is not acceptable).

2. GPA of at least 3.00 in the following:
   ✓ ALL prerequisite courses combined AND
   ✓ Just the FOUR SCIENCE prerequisites

3. Minimum English/Reading score on TEAS

4. Submit official transcripts to NursingCAS.

5. Submit personal statement to NursingCAS.

6. Order from ATI and send Official TEAS Score to Nursing Department (automatically forwarded if taken at Cal State East Bay).
   Cal State East Bay’s Testing Office offers TEAS exams monthly
   Contact Accessibility Services at (510) 885-3868 to request disability-related testing accommodations.

7. Meet all University Admission requirements, including separate official transcripts, by published deadlines, or continued enrollment in good standing at Cal State East Bay.

8. ADDITIONAL (OPTIONAL) POINTS CAN BE AWARDED FOR OTHER CATEGORIES – see other page.

PROGRAM ACCREDITATION

The Baccalaureate Degree in Nursing at Cal State East Bay is approved by the California Board of Registered Nursing (916-322-3350) and the Commission on Collegiate Nursing Education (http://www.aacn.nche.edu/ccne-accreditation).

ADVISING

The Cal State East Bay Nursing Program Staff provides Nursing Program Information Sessions once a month on the Concord and Hayward Campus, to go over the admission requirements and application process. See Nursing website for dates/times.

Our Nursing office hours are Monday through Friday, 8:00 a.m. - 5:00 p.m. If any prerequisites are from courses taken outside of California or at a private college, please contact the Department Office for equivalency advising.
