

**M.S. Program in Statistics**

**FALL**

**WINTER**

**SPRING**

First Year	STAT 6204 Probability Theory (4) STAT 6304 Advanced Statistical Inference (4)	STAT 6205 Statistical Theory (4) STAT 6305 Analysis of Variance Models (4)	STAT 6310 Stochastic Processes (4) or ME (4) STAT 6509 Theory and Application Regression (4)
------------	--	---	--

Second Year	STAT 6501 Mathematical Statistics I (4) ME (4)	STAT 6502 Mathematical Statistics II (4) ME (4)	ME (4) ME (4)
-------------	---	--	------------------

ME = Major Elective

See specific options for recommendations for ME's.

Some options have specific requirements. Most STAT/BSTA courses with numbers above 6200 are appropriate ME's. Be sure to note prerequisites.

Consult advisor regarding major elective.
