Important Department Application Information

1. Reference Letters

Three (3) professional (i.e., instructor, manager, or supervisor) letters of recommendations are required. **You must use the recommendation forms from the application packet.** Recommendations should be from persons who know the quality of your academic and professional abilities and potential via work, community education, or volunteer positions. You must indicate “does” or “does not” as to whether you waive your right to inspect these references. Please print recommenders’ names on the forms and give them to recommenders. Recommenders may give to you an additional letter with the recommendation form, which must be on professional letterhead and sealed for you to include in your application packet. *It is strongly recommended that at least one recommendation should be from a faculty. Reference letters from family members or personal therapist will not be accepted.*

2. Statement of Purpose* (See Statement Outline Worksheet, below)

Please submit two to four typed double-spaced pages, in which you describe your professional goals. We are interested in knowing **how** you developed these goals and how you assess your strengths and weaknesses relative to achieving these goals. Be sure to discuss **the program related questions in your statement of purpose.** *Statement of Purpose questions can be found on page 5 of this application packet.

3. Required Tests

The Graduate Record Exam (GRE) General is required for admission to the Department. You can obtain information about the GRE from the testing office or the GRE website: <http://www.gre.org>. You will need to have your official scores sent directly to the University by the testing agency **and** you will also need to provide an unofficial printout of your GRE scores to submit with your department application packet.

The Basic Skills Requirement (BSR) is also required for Credential programs (School Counseling and School Psychology). Meeting the Basic Skills Requirement is a condition for admissions into these programs. There are several ways to meet the Basic Skills Requirement:

1. Passing the CBEST exam (submit a hard copy of the official score report);
<http://www.cbest.nesinc.com/>
2. Passing the basic skills test from another state (submit a hard copy of the official score report);
3. Passing the CSU Early Assessment Program or the CSU Placement Examinations (submit a hard copy of the official score report);
4. For more information about the BSR requirement or additional options,
<http://www.ctc.ca.gov/credentials/leaflets/cl667.pdf>

If you are unable to get your test scores to the Department by the deadline dates, you will need to indicate, on your application, your plan to fulfill all testing requirements. All scores must be received **before May 2nd**. We highly recommend you complete the BSR and GRE at your earliest convenience. Please include all scores in your packet (record scores and include an unofficial copy of scoring reports). If you must send scores separately, please mail a hard copy directly to the Credential Student Service Center.

4. Official Transcripts

You are required to submit 2 sets of transcripts, from all undergrad work to CSUEB. One set to the University Graduate Admissions Department and one mailed with the Application Packet to the Department.

Note: If you are a graduate of a CSUEB degree, you do not need to submit the final degree-bearing transcript unless Credential Student Service Center (CSSC) staff indicates the need to do so due to any difficulty of CSSC staff directly obtaining the transcript.

5. Resume* (School Counseling only)

6. Prospective Student Orientation (strongly encouraged)

It is highly recommended that you attend one of the programs orientation meetings. There will be opportunities to raise questions in order to better understand the programs and plan accordingly. This is a great opportunity to ask questions, meet faculty, and obtain tips to the application process. See department website for dates.
