

Affordable Learning Solutions Subcommittee
Agenda for Meeting of June 3, 2016
Location: SF 320
Time: 8:45 – 10:00 a.m.

Present: David Lopez, James Murray, Aline Soules, Missy Wright

Guests: Hendrix Erhahon, Jaime Scobel, Monica Munoz

1. Introduction of Monica Munoz

Monica recently joined the Online Campus team as Curriculum Support Specialist. She is an instructional designer and, when working at SFSU, was the ALS Coordinator there.

2. review of draft plan for the state grant proposal (NOTE: the draft plan was shared from Google Drive earlier. The link, if anyone's lost it, is https://docs.google.com/spreadsheets/d/1eb1f0kDFsPFiqd2uXpg1bilgWG7k5_SwyOAX6e2cERo/edit#gid=358952934)

The latest version of the plan was reviewed. Both the list of participating course sections and the related budget will likely change slightly between now and final submission, but the gist of the plan is in place

3. Publisher Survey Update

Members reviewed and made suggestions to improve the survey. Soules will send out a link to a revision. Once the state grant proposal is submitted, the survey will be finalized and sent to publisher representatives on the updated list provided by Jaime Scobel.

4. Interest of current members in continuing

Current faculty expressed interest in continuing in 2016-2017. A representative is still needed from CLASS.
