The programs align with the California Commission on Teacher Credentialing (CTC). They have a cycle of defining goals biennially and having an Analytic Year and an Implementation Year. Below are key points from their improvement plan:  
Moderate-Severe Disabilities:  
o Increased focus on management and logistical/organizational/resource competencies  
o Exit Survey outcomes that mirror that improvement  
Mild Moderate Disabilities  
o Increased emphasis on systems of service delivery  
o use of data to create IEP’s  
o case management  
o collaboration with service providers
