

CALIFORNIA STATE UNIVERSITY, EAST BAY

Designation Code: **2010-11 CAPR 20**

Date Submitted: May 20, 2011

TO: The Academic Senate

FROM: Committee on Academic Planning & Review (CAPR)

SUBJECT: Program Annual Reports

PURPOSE: Information item for Excom concerning the status of program annual reports

BACKGROUND

INFORMATION: At its meeting of May 19, 2011 CAPR members presented their reviews of annual reports submitted by programs for 2011-12. The annual reports were due to have been completed and submitted by the end of the Winter quarter, 2011. The deadline for submission was extended to May 5, 2011 given the paucity of reports that had been submitted by late April. The following table summarizes which programs submitted reports to CAPR by the May 5 deadline, which programs were not required to submit reports, which programs submitted reports late, and which have not submitted reports by the date of this memo. Rubrics were prepared for the reports submitted by May 5 and will be included, with an overall summary, in the CAPR Chair's end of year report to Excom.
