DESIGNATION CODE: 2011-12 CAPR 4

DATE SUBMITTED: February 2, 2012

TO: The Academic Senate Excom

FROM: Committee on Academic Planning & Review (CAPR)

SUBJECT: Request to reschedule the Educational Leadership and Social Justice Five-Year Review

ACTION

REQUESTED: Acceptance of CAPR recommendation to approve the request to reschedule the submission of the Educational Leadership Five-Year Review to 2013-14

BACKGROUND:

At its meeting of 12/01/11, CAPR considered a request by the Doctoral Program in Educational Leadership and Social Justice to reschedule its five-year review to 2013-14 to reflect the fact that a) it has not yet been in existence for a full five-year period and b) as a separately accredited program (by WASC), it wishes to synchronize its CSUEB review timetable to the accreditation review preparation and submission. Based on the case made by Director Jose Lopez at its meeting, CAPR voted unanimously to recommend approval of this proposal to reschedule the five-year review of the Doctoral program in Educational Leadership and Social Justice to 2013-14. In reviewing the request and the language of 08-09 CAPR 23 (revised), the Academic Program Review Procedures, the following timelines will apply based on information provided by Prof. Lopez.

- Date of five-year review documentation preparation: 2012-2013
- Date of external review required by WASC: Fall 2013
- Date of WASC Capacity and Preparatory Review: Fall 2014
- Same date as deadline for Submission of the Accreditation Review Materials: Prof. Lopez will provide an electronic copy of the entire accreditation submission to the Senate Office, with a cover letter stating the approximate timeline for the accreditation review, including the approximate time that they expect to receive accreditation confirmation from WASC.
- In the following weeks the program will gather the additional materials required by CAPR (in the required format and with a program summary page and copies of all of the Annual Reports submitted to CAPR since the prior 5 Year Program Review). Prof. Lopez will provide these materials electronically to the Senate Office no later than the following quarter and prior to receipt of the confirmation of accreditation.
- The letter from WASC confirming accreditation will be sent to the Senate Office when received by the program, along with 2 hard copies of the required materials and one hard copy of the accreditation submission. Following this submission, CAPR will set a meeting date for program representatives to meet with CAPR to discuss the review submission.
