

COMMITTEE ON ACADEMIC PLANNING AND REVIEW

October 17, 2013
13-14 CAPR 6

TO: The Academic Senate
FROM: The Committee on Academic Planning and Review (CAPR)
SUBJECT: 13-14 CAPR 6: Request for a reschedule of the Communications 5 year review
PURPOSE: Action by the Academic Senate
ACTION REQUESTED: To reschedule the Communications 5 year review until AY 2014-15

BACKGROUND:

At their October 17, 2013 meeting, CAPR unanimously voted to request a reschedule for the Communications Five-year Review, pushing the due date from AY 2013-14 to AY 2014-15. This schedule change is necessitated by a number of factors including the last 5 year review taking place only 3 years ago (2010-11) and the sizable workload of the current faculty due to faculty recruitment, making contributions to the CAPR report very difficult.

Attached is the official letter requesting the postponement as submitted to CAPR.

ACTION REQUESTED:

CAPR is formally requesting that the scheduled 5 year review of Communications be rescheduled for AY 2014-15.
